VOL. LXXXVII NO. 28 15 CENTS PER COPY

SANTINO'S CASE CONTINUES

On Thursday, January 4th, the Antioch Planning Commission decided at their monthly meeting to grant Thomas Santino a preliminary hearing at their next meeting concerning the possibility of annexing the Antioch Country Club Development. The decision was made after much debate and was perpetrated by a letter written by Robert B. Golding, Attorney for the Antioch Country Club, that formally requested a preliminary hearing to discuss the proposed pre-annexation agreement.

Bob Bemis, who heads the Planning Commission, was in favor of postponing the hearing indefinitely, since there has been a moratorium on all annexation. The moratorium will be in effect until the

problem of the sewage treatment plant can be resolved, and the comprehensive growth plan has been completed.

However, Mayor Ray Toff was of a different opinion, he said, "I don't really think that there is any reason at all why we can't hear what Santino has to say at this time and then make it a matter of record. We should get things fairly worked out now otherwise we will be bogged down when the time comes that we can annex."

The Planning Commission agreed with Toff's suggestion and authorized a letter to be sent to Santino informing him that no new annexations are being made at this time, but if he would care to make his preliminary presentation, he would be welcomed to do so at

the next meeting.

Bemis said, "This will help us to make any necessary recommendations and to be prepared for future decisions."

There are several other

developments that are awaiting a decision on annexation and they will be considered in order of their date of presentation. The list of annexation priorities is headed by the CABL

Continued on Page 2

NELSON SUIT TO BE FILED

Village Board member Marge Nelson was given 10 days to pay her long standing sewer debt. The ten days have quickly passed and payment has not been made. Therefore, at last Tuesday night's Village Board meeting the Board voted to file suit against the Nelson's.

The suit will not be filed by Ed Jacobs and Ken Clark the Village Attorney's, but will be turned over to another firm due to a technicality. The Nelson's are in the process of buying the property they are now living on, from an estate that is being held in trust by the law firm of Jacobs and Clark. Because of this the Village Attorney's can not be a party in the suit and are now making arrangements to turn the case over to another attorney.

The suit when filed will be for the debt of \$729.05 for sewer installation that the Nelson's owe, plus connection fee, as well as the illegal hook-up to the sanitary sewer. The suit may also ask for penalties. A judge can file a penalty fee of a minimum of \$10 and a maximum of \$100 per day from the time of the illegal hook-up.

Attorney Ken Clark said, "Basically the suit will be asking for the bill that we have been trying to collect since October of 1970."

The Village has made several attempts to settle this without going to court, but their correspondence proved to be fruitless.

Marge Nelson maintains that she has made a verbal agreement with board member Vern Barnstable to hook up with the sewer system. Barnstable denied any such agreement at the meeting.

Irving Walsh brought up a

pertinent point as he questioned the legality of Marge maintaining her position on the Board and the possibility of her running for mayor.

There is no local ordinance that disqualifies a board member, who owes money to the village, but according to Village Clerk, Marilyn Sterbenz, there is a state Statute that pertains to this matter.

Sterbenz said, "The state Statute maintains that you cannot be a defaulter with the Village and run for office."

Nelson, who is planning to run for mayor in the up-coming elections, can still file her petition, but it may be questioned and disqualified.

Marge Nelson remained silent throughout the meeting. She has refused to say why she will not pay the fee that she knows she owes to the Village and what she hopes to gain from the suit. Her only comment is "Ask my attorney". However, her attorney, Mr. John E. Schultz, chooses to remain silent as he refused to answer any one of TWELVE CALLS MADE WITHIN A THREE DAY TIME PERIOD. Therefore, Nelson's reasons for withholding payment and the purpose for her suit is not known.

Tim Mieure breaks for a fast one in Friday Night's game against the Grayslake Rams. Antioch put another victory under their belt as they ended the game with a score of 69-47. (Staff Photo)

SANTINO'S CASE CONTINUES

Continued from Page Development, followed by the Santino Development and Pickard China. Pickard China has purchased some land for an industrial expansion, which they are not planning for a number of years. However, Mayor Toft pointed out that this industrial expansion would probably take a greater priority, since it would greatly benefit the Village.

The Annexation of the Santino Country Club would involve some 249 acres at a fee of \$500 per acre. This amount would total \$124,500 and would go toward sewer expenses.

There has been much speculation concerning the annexation of the development that may double the size of Antioch.

It is very obvious to Chief of Police, Jack Wells, and to Fire Chief, Tod Mapleshorpe, that the Village facilities will need to be expanded as well as the sewers.

Wells projects a second precinct that will have to be maintained in the area. A second station complete with desk and patrol car will almost be a must, seeing that it will almost be impossible to cover the entire area from the present facilities.

Mapleshorpe feels that the minute the land is annexed that the Inspection Department will be paying Antioch a visit to see what provisions they are supplying to this new area. Mapleshorpe also sees the need for a second facility with at least two new trucks, possibly a joint building housing both fire and police departments.

In talking with both Wells and Mapleshorpe it can be observed that they are generally in favor of the annexation of the Santino property. They are in favor of it if it is to better the village of Antioch and neither men would like to see the land annexed by Fox Lake. Both Fox Lake and Lake Villa have an opportunity of annexing the land, Fox Lake is already very anxiously considering the possibility of the annexation.

As far as the accompanying sewage for the development, Mapleshorpe does not feel that there will be much of a problem. Its expense will be paid through the annexation fee and Santino himself, and it will have a natural uncomplicated route down Rt. 59.

The matter of overcrowding

the area schools must be met and dealt with. This may be done in a variety of ways, but a particular solution has not as yet been decided upon. Santino has already made a proposal (as of May 1st 1973) to meet whatever is asked by the Village to compensate the school for the increase in school enrollment as long as the other PUD developments go along with compensation also.

At this point it can readily be seen that there is a crying need for a PUD ordinance in Antioch.

Mr. Al Dittman, former superintendent of Antioch High School, attested to this need and pointed to the urgency of such an ordinance. He also suggested that the Planning Commission write letters to the various schools that would be affected by a PUD ordinance. These schools include Antioch Grade School, Millburn, Grass Lake, Antioch High School, Emmons, Lake Villa, and possibly Newport. These schools should make their needs known to the PUD ordinance committee so that the ordinance will be set up in such a way that it will compensate for all of their needs. He also suggested that the committee get some professional help to aid them in the drawing up of this crucial ordinance.

The Planning Commission thus enlisted the help of Cranston Byrd, Community Assistance Planner from Lake County, who will meet with the Committee on January 22nd.

There has been much dissension concerning the actual building of the Antioch Country Club development which has come mostly from the direction of Grass Lake. There were several Grass Lake dissenters at Thursday meeting who readily voiced their objections.

John Steitz, of Grass Lake said, "What about the schools rights? One more of these developments and we will tax us right out of here."

Another representative from Grass Lake suggested that the sewage from the development will be dumping into the Channel and the planned Marina for the development's residents will create a problem with too many boats.

Many other objections were voiced in regards to the development itself and to its annexation to the Village. But a

PLUGGED LIFT STATION

There are nine lift stations in Antioch that are involved in transferring the sewage water to a higher level. The main lift station that is located east of the tracks on Depot street has run into some trouble as it has frequently been plugged up. The cause of this problem is due to the careless discarding of various materials, such as, rags, toilet material, etc. that are insoluble and therefore catch in the pump.

When the pumps become plugged, a high water alarm sounds and at that time those pumps must be opened and cleaned, which is to use the words of Tod Mapleshorpe "a very unnecessary and irritating job." If the high water should fail to sound, it may cause the water to back up into some of the surrounding property.

Therefore, Mapleshorpe, who is in charge of Public Works in Antioch, urges all of those people who are riding on the east side of the track to take some precautions and to be careful of what they disregard into their sewage systems.

comment that has been heard come from so many persons in authority can not be lost among these objections.

Many hold the opinion that if the land is not annexed by the Village, that Antioch will eventually inherit the problems of Grass Lake because of the proximity of the development. We will eventually inherit there over-crowded schools and we will be still fighting their fires and crime, but without the financial support that can be gained through annexation. Libertyville has already found themselves in a similar dilemma with the Century City Development that is on its outskirts. Another point that has also been discussed is that if Antioch does not annex this land Fox Lake will. This will undoubtedly stunt any difficulties of that area.

VANDALS ATTACK WINDOWS

The Antioch Upper Grade School, suffered some pains early Monday morning as one of their wire-plate glass windows were broken. After a thorough investigation nothing was found to be missing, but the window will have to be replaced at an estimated cost of \$50.00.

The Haley Brothers Cleaners of 465 Orchard Street were also a victim of crime on the same morning as they were broken into and \$30-\$40 worth of currency was taken from the office.

IRRESPONSIBLE CITIZEN

A village such as ours can only become as successful and prosperous as the various citizens within the village will allow it to be. This means that each and every citizen must accept their own responsibilities as to their function within the village.

We have among us a citizen who at the present time is making a mockery of being a responsible citizen. To be specific we are talking about Mrs. Marge Nelson, who at the present time is a member of the Village Board and is now aspiring to become Mayor of our village.

The Nelson's have owed to the village nearly \$800 since 1970 for their fair share of the cost of installation of the sewer line as well as after the line was installed, they illegally hooked into that line.

The facts are very clear cut - the Nelson's owe the debt and as good citizens should have paid. For what ever petty and obscure reason they have not done so, no one can attest to. Neither Mrs. Nelson will answer the question or after many, many repeated calls to her "lawyer" will he answer.

This obvious act of a very irresponsible member of our community and our Village Board leads one to suspect her credibility as a Board member and certainly as an aspiring Mayor.

The Village Board has tried repeated times to settle this case out of court as it should be, but their efforts were fruitless. If the Village Board can be held accountable in any area, it's because they have been to "soft" on the Nelsons and maybe should have brought action sooner. If this is a fault, it is a fault of kindness and assuming all persons will act as they should.

With the facts as they are, which Mrs. Nelson has publically admitted to, one would wonder why she has allowed the village to file suit, which can be costly and time consuming to the village. The only conclusion one can come to is that Mrs. Nelson for some reason enjoys this type of limelight and is in the process of pulling off a very cheap publicity stunt that certainly will do no one any good.

Mr. Rush:

I would like to invite you to attend any of our school board meetings, of your choice, in the hope that you will reach a better understanding of our schools needs and the impact of land developments upon us.

We meet the second Tuesday of every month.

John L. Steitz, Jr.
Member, Grass Lake School Board-District 36

More On Morley

Dear Editor,

We can add a few more memories to John and Nellie Morley's life. For example, when Jim McMillen was in his wrestling prime, John and Nellie Morley would drive to Chicago from Antioch to see their son-in-law, Jim, wrestle. The Morleys, together with Mr. and Mrs. William Pesek would stop for the Reynolds and then would go on to the wrestling match. There were four bouts and Jim was the big drawing card. The wrestling matches were located on North Clark street which is where Ed Reynolds also had an apartment building.

Jim McMillen kept fit for wrestling by working on the farm. Bud Holtz, Bill Pesek, and Ed Reynolds would often go hunting with Jim, and they never came back empty handed. They always had a big Buck Deer or two.

John Morley was a gay fellow, who would always wear a Rose in his coat lapel and loved it. We (the Reynolds) would always come back with the Morleys on Saturday and go to Bud's Tavern and dance until we ended up at Grass Lake. Everyone was happy New Years Eve. We would always go to Bud's, a grand old place, and eat, dance, and drink. You could leave your money on the table and dance and when you came back to the table your money was still there.

Yes, we do miss the good old days and dear friends such as the Morleys and Bud Holtz telling stories and singing and dancing till early morning. Now as we grow old, memories are still with us, but not the pep.

Rose Reynolds
Ellenton, Florida

ANSWER TO EDITORIAL ON AN EMOTIONAL ACT

Dear Joe:

First, we would like to express our sincerest gratitude for your support of the Antioch High School, its activities, and its attempts to pass the Educational Referendum in the past. Because you, or a member of your staff, are always in attendance at our Board Meetings, we feel that we have received excellent coverage in your publication.

However, we found your comments concerning the Board's intervention in the Santino case extremely upsetting. We support your right to disagree with our decision, but there were several statements in your article that were either misleading or invalid.

In no place did you point out that we were asked by the State's Attorney's Office for your support in this case in protection of our "rights;" the protection of special or particu-

lar interests in the lawsuit. You only wrote "we do not feel that it is the weight of numbers that decides the outcome of the legal issue but the weight of evidence." We hope it was the case of you not hearing the school attorney repeatedly answer the Board's questioning with the fact that he felt "the case would be stronger with our active participation." You did not point out that Mr. Santino is being represented by a Chicago legal firm specializing in this type of case, has the support of the LaSalle National Bank of Chicago, and, undoubtedly, will have the rulings from the County Board.

You wrote "the amount of money this will cost District 117 has not been established, but it was estimated the first stage would cost about \$1,500.00." We hope that you heard the Board agree with you that we could not afford to enter this case alone; the fact is that the Board will only incur one-third of the costs, as we are joining together with the Grass Lake and Emmons School Boards. Our costs would, therefore, be \$500.00, not \$1,500.00.

The one thing that we are getting tired of is hearing that the Board is being intimidated. You wrote that we were "intimidated by a rather vocal and misguided group of people." One individual, deciding to print his own literature during the referendum, wrote that we were "intimidated by an incompetent and possibly corrupt administration." We were not intimidated into allocating the \$1,000.00 for the Area Vocational Center Study when, at the time before the referendum passed, the money was just not available; and with this program being so vital to a tremendous percentage of our students, we were, emotionally, in favor of it. There certainly was no emotion shown when, because of a \$200.00 difference with a lower priced package, we voted against a school insurance package that included an Antioch agency.

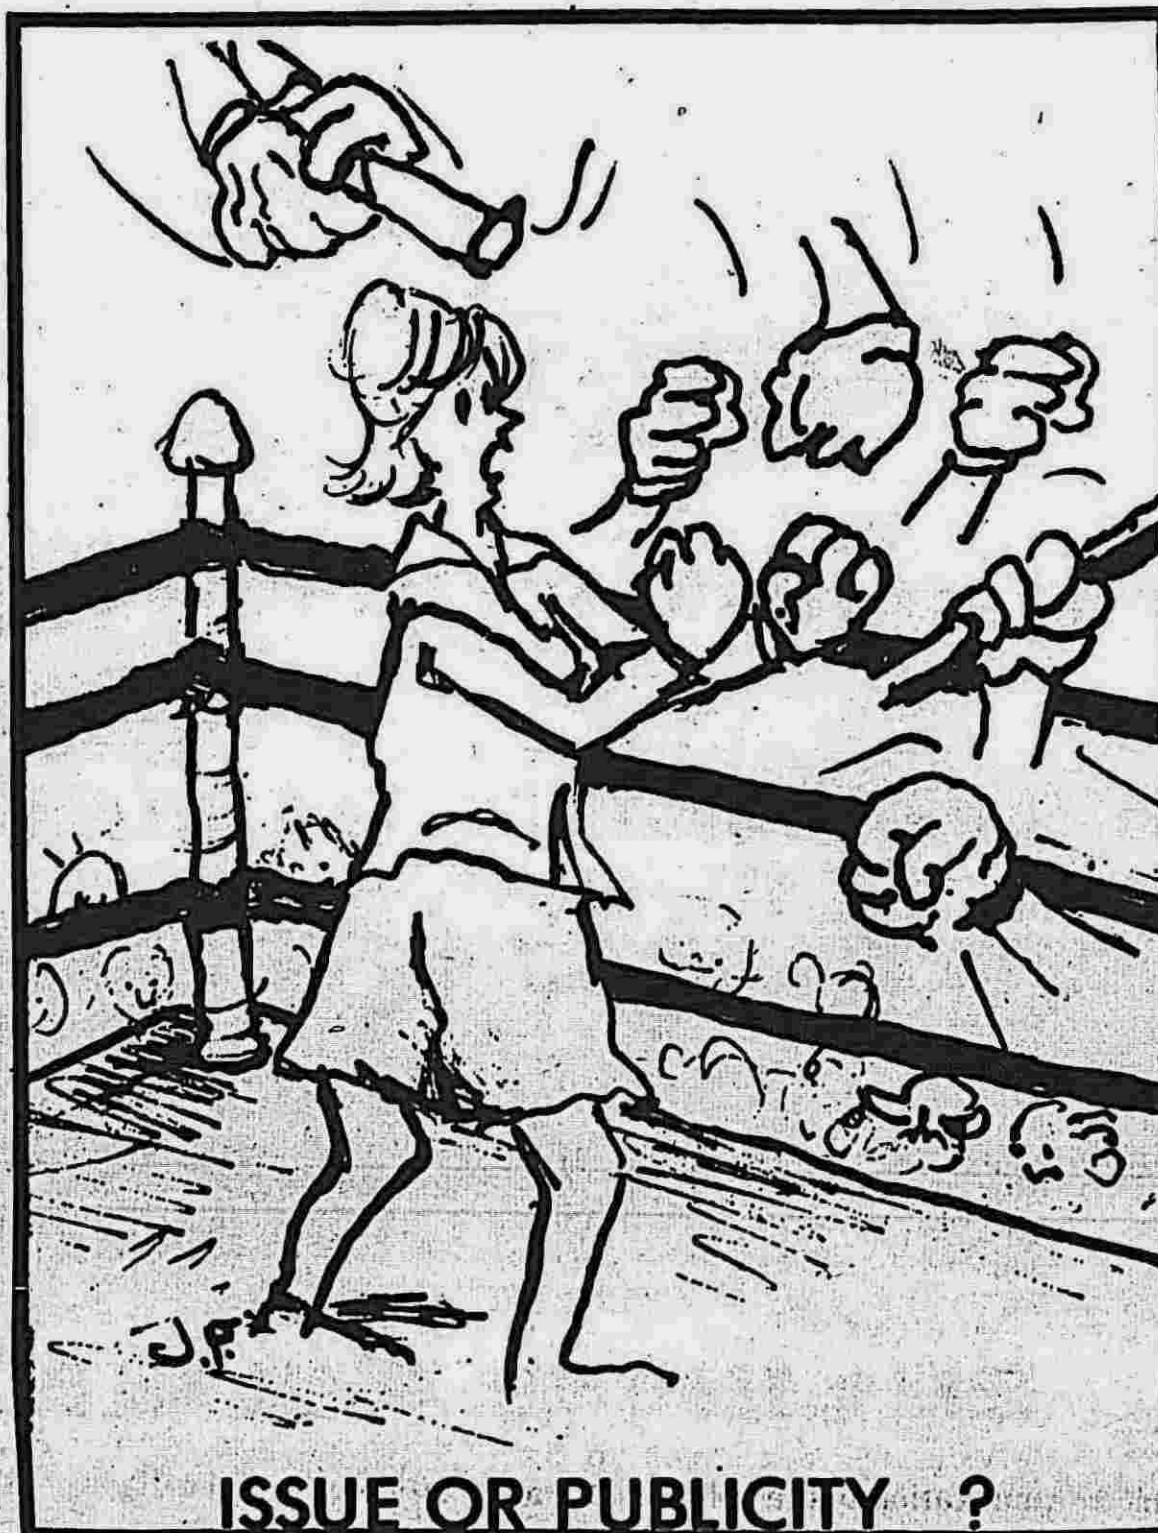

We feel that the Board makes every attempt to base its decisions on facts rather than emotions. Our attorney advised us that the case would be stronger with our participation. By joining with the two grade schools, our costs would be only one-third the normal expenses. Finally, we had used the Elgin U-46 District formula to run a Student Impact Analysis on the Santino Development. We found that our student enrollment would increase 124 students. Our costs for future expansion, due to this increase, would be \$24,883.00 for land acquisition and \$522,551.00 for buildings and equipment. Our Educational Fund expenses would be a cost of \$208,925.00 due to the time lag in getting the new units on the tax rolls. We do not feel that spending \$500.00, or \$2,000.00 if your higher court estimates are correct, in an attempt to save the taxpayers of our school district \$756,000.00 is being emotional.

Sincerely,

Larry Fears
Glen Moore

VILLAGE PASSES NEW ORDINANCES

The Village Board passed three new important ordinances that will be a continual reference points for the future as Antioch continues to grow.

The first ordinance concerns the regulation of storm water detention within the corporate limits. It concerns "the combination of storage and controlled release of storm water run-off that shall be required for all commercial-industrial developments of one acre or more an area, for all multiple family residential developments of two or more acres an area, and for all single-family developments of five acres or more."

The ordinance states that, "The release rate of the storm water from all developments requiring detention shall not exceed the storm water run-off from the area in its natural undeveloped state."

The ordinance makes provi-

sions for all up stream areas, live detention storage that will be calculated on the basis of the 100 years predicted rainfall figure, and downstream sewers.

The second ordinance concerns flood plain regulations. Its purpose is "to regulate the construction of buildings or structures within areas designated as flood plains on the zoning district map of the Village of Antioch, to be enacted, based upon drainage engineering studies for the Village of Antioch, to end the hazards to persons and damage to property resulting from the accumulation or runoff of storm or flood waters may be lessened or avoided."

The last ordinance regulates air pollution and open burning within the corporate limits of the Village. The ordinance prohibits open burning, with few exceptions. The following

activities...

The following activities are not in violation of this Ordinance unless they cause air pollution as defined in this Ordinance.

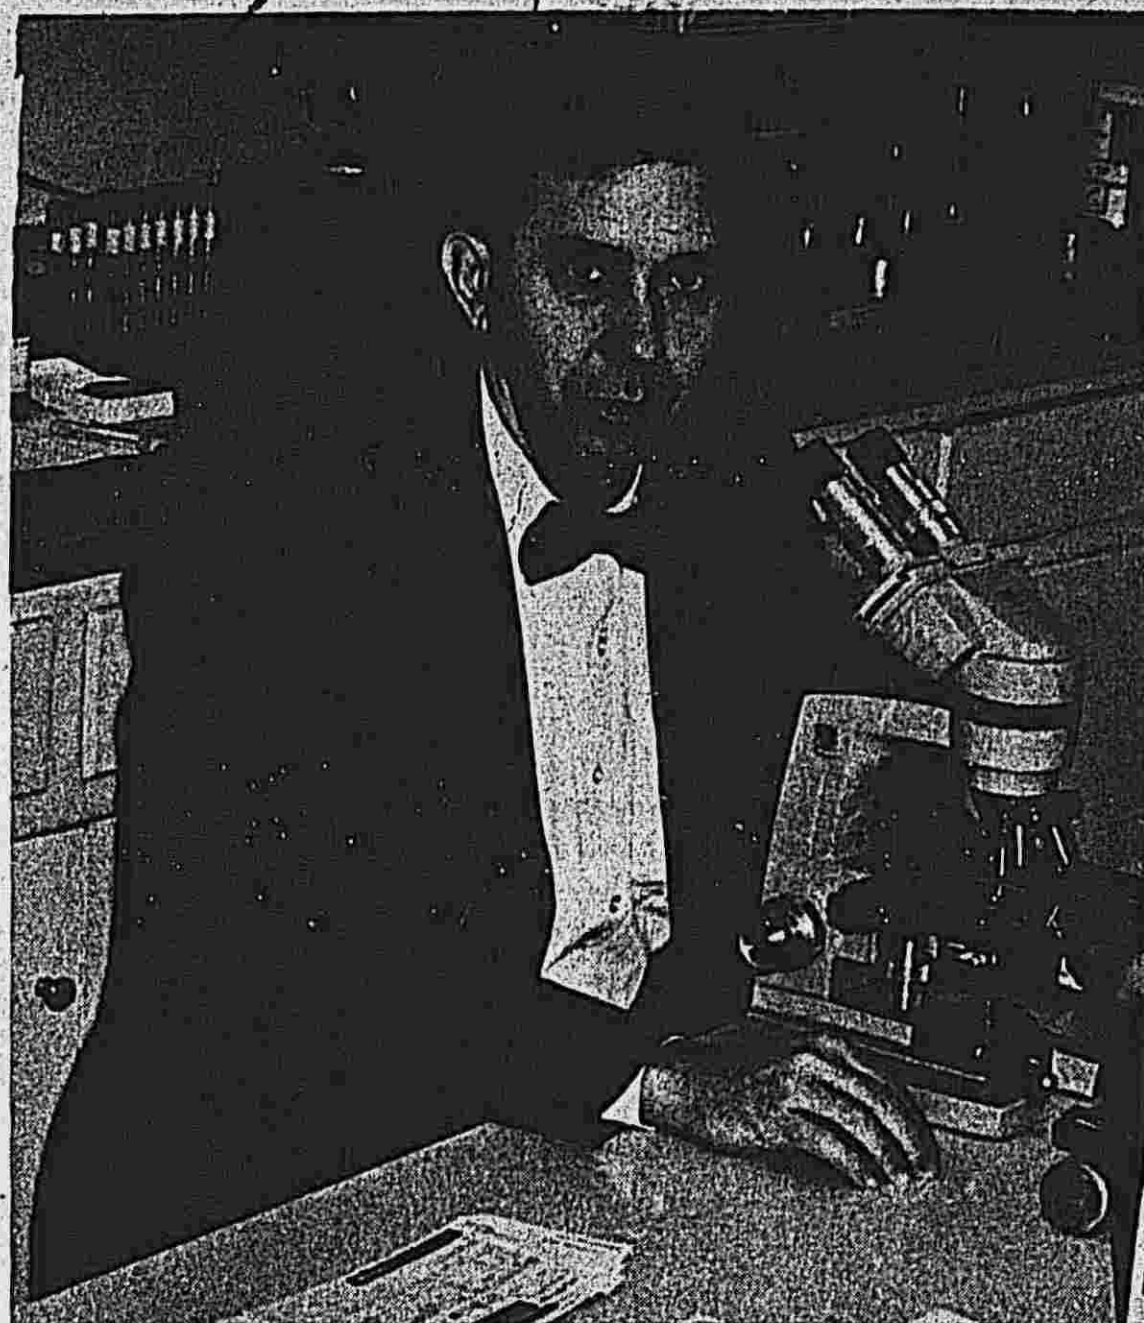

(a) The open burning of agricultural waste, but only: (1) on the premises on which such waste is generated; and (2) in areas other than restricted areas; and

(3) when atmospheric conditions will readily dissipate contaminants; and

(4) if such burning does not create a visibility hazard on roadways, railroad tracks, or air fields;

(5) more than one thousand (1,000) feet from residential or other populated areas; and

(6) when it can be affirmatively demonstrated that no economically reasonable alternative method of disposal is available.

THE RACE BEGINS

At 7:10 a.m. Monday morning Officer Hannum of the Antioch Police spotted a suspicious character. As a matter of fact he spotted two suspicious characters milling around outside the Village Hall. Upon further investigation Hannum discovered that the characters were Bob Wilton and Mike Haley. Their reason for milling around the Village Hall was a valid one and an arrest was not

made as they were waiting to file a petition with the city clerk for the upcoming elections.

Both parties and the independent candidate had filed their petition before 9:00 a.m. on Monday which was the first day the petitions may be filed.

The parties that filed are: "The Progressive People's Party" headed by Raymond Toft for Mayor and consisting of Bernie Barnstable, Joe Rush, Bill Carney, and Marilyn Sterbenz for Village Clerk; the

Citizen's Action Party, headed by Bob Wilton for Mayor, and consisting of Mike Haley, Ronnie Cunningham, Bill Seeman, and Shirley Gutowski for Village Clerk.

Marge Nelson also filed under an independent party.

The last day for filing a petition for Public Policy is January 29th, and the last day for filing independent certificates of nomination or nomination papers with the City Clerk is February 12th.

AMERICAN CANCER SOCIETY OFFERS PAP CLINIC

Robert A. Sommer, M.D., of Condell Memorial Hospital in Libertyville, is shown examining a Pap smear in the laboratory at the hospital. He hopes to be doing many, many such tests as a volunteer for the American Cancer Society following the Pap Clinic which is to be held at the Barwell Settlement, 201 Liberty Street, Waukegan, on Tuesday, Jan-

uary 16, from 9 a.m. until 4 p.m. Five doctors and many nurses will be volunteering their services that day and they all hope to be kept extremely busy by the number of women taking advantage of the free Pap test. Appointments may be made previous to the clinic by calling the Cancer office, 336-9293, but appointments are not required.

CHANNEL LAKE CHATTER

Happy New Year to all. Now that the holidays are over and resolutions have been made and broken there is one that with the help of Walt Soderman, we may all be able to keep. If you made a resolution to lose some weight and tone up some sagging muscles, Walt, who is Channel Lake Grade School's P.E. teacher will be holding some exercise and volley ball sessions in the school gym on Wednesday evenings from 7 p.m. to 9 p.m. All adults in the Channel Lake area are invited to participate and find out what muscles they haven't used in ages.

Belated birthday wishes to 1 year old Ben Rogers on Christmas Eve. This reporter celebrated number 36 on the 26th with a small party. Brenda Runyard was 3 on the 27th, Jeri Gutowski blew out 5 candles and Margaret Purfeerst 6 candles on the 28th. Cindy Irmen 12 and David Enzenbacher was 17 on the 30th and Joan Bjork was 18 on New Years Day.

Margaret Purfeerst had her 6th birthday party for 12 of her kindergarten classmates and friends last Saturday afternoon with games and prizes for all along with cake and ice cream topping off the day.

Milburn and Sis Rodgers beat the New Year with a beautiful little 7lb tax deduction named Theresa Kathleen. The little angel arrived on Saturday, December 30 and is the delight of brothers Richard, Randy, Rodney and sister Lori.

The staff of Channel Lake Grade School held their annual Christmas gathering at Paty's Lounge on Thursday, December 28th for cocktails and dinner. After dinner the group went to Cliff and Betsy Houghton's home in Antioch for a very nice evening. The group included Walt and Marge Soderman, Marge and Bob Girtlen, Shiela and Bob Eisen, Jean Soby, Mary Grover, Sharon Leland, Rob and Shirley Robinson, Wayne and Dolly Bobo and Louise and Joe Gutowski.

Mike and Mary Jo Zeien hosted a gala New Years Eve party for many of their friends and relatives.

Mr. Wonderful's was also the scene of a happy New Years Eve party with a delicious buffet supper, hats, noise-makers and fireworks at midnight.

New Years Day was the scene of another party at Pat and Dick Harland's holiday decorated home. Last year Pat vowed she would not spend another New Years Day alone while Dick watched football, so this year she invited their friends over, prepared a delicious buffet supper and had lots of company in the kitchen and dining room while all the men kept Dick company in the living room watching football. It truly was a delightful party and a wonderful way to start the new year.

Denny and Dianne Swanson celebrated their first anniversary with a long weekend at the Wagon Wheel in Rockton, Illinois recently. Congratulations you two.

Let me know the news
Louise

SEWER SHORTAGE SEEN

It is indeed a reality that Antioch's sewage system is currently at capacity and unless it is expanded, it will stifle any future growth in the village.

This reality was brought to face at last Tuesday's Village Board meeting when a letter from the Environmental Protection Agency, (E.P.A.) was read concerning the proposed 40 unit condominium development for Main Street.

The E.P.A. denied the sewer

permit for the project as they said in their letter.

"There is no capacity available in the Antioch Sewage Treatment Facility to satisfactorily treat the flow from this project."

This is the second time that the E.P.A. has denied such a permit. The Realcor Development proposal for Rte. 173 has received a similar answer from the agency.

UNINCORPORATED VEHICLE STICKERS AVAILABLE

Township supervisor, Lloyd Murrie, would like to remind all of those who live in the unincorporated areas of Antioch Township, that free vehicle stickers for their windshields are available. The stickers can be picked up at the township office on Main street

during office hours. The purpose of the stickers is merely one of convenience; it is designed to prevent those who live in the unincorporated areas from being stopped and questioned by the local police.

Mr. Murrie said that he has been carrying on this practice for a number of years now.

Mercury hits 20 degrees BELOW.

Installation for the 1963 New Lion's Club President was held. Leonard Roblin was sworn in as President, Dan Dugenski, as Secretary and Bill Seeman as Treasurer.

JUSTINE LUBKEMAN ON WARREN REAL ESTATE STAFF

Michael Warren & Co. announces the appointment of Justine Lubkeman as a real estate saleswoman. Justine has lived in the Antioch area for 19 years. She and her husband Don attended Antioch High School.

They reside on North Avenue with their 3 children—JoAnn 14, Lonnie 11, and Kenneth 6. Don has been a member of the Antioch Rescue Squad for over 10 years, and his family has been in business for over 30 years, founded by Emil and Art Lubkeman.

Justine has recently completed an intensive course in real estate. She will have an initial orientation to the firm, after which she will be involved in general sales.

Church by sending in a 'free will offering' of \$1.50 The pamphlet is rich in idiom and information. In return for another donation, for instance, he could receive a recording dealing with the life of the Church's founder, Kirby J. Hensley. The record is called 'Holy Smoke.'

This pamphlet is prominent among the year's memorabilia because at one time I was called upon to exhibit my knowledge of the Universal Life Church in a protracted discussion with the Lake County Service for Counseling and Marriage. The L.C.S. for C.M., you may recall is our dedicated band of clergy who volunteer to sit a day at a time each, in the confined little office on the 2nd floor, counseling with and finally performing the ceremony over those couples to whom we issue licenses. Their standards for participation are high and they put particular emphasis on the counseling part of the session. Therefore the offer to participate which we received from a local minister of the Universal Life Church was regrettably refused.

You do understand that the volunteer was not Jack? Even if he had paid the \$50 to become a bishop, I would still have to forbid--

wouldn't be the wiser. I had confidence in my translator to get the sense across—but how did she deal with the bizarre colloquialisms with which I like to pepper my text? Perhaps in the course of the new year we can employ a Spanish speaking clerk to fill out our splendid corps of deputies at the counter.

There is a scrap of unused verse left over from an unwritten Christmas opus:

On Singer—On Cooney—On Geiger and Vixen (?)

On Kaufman, Van Deusen—On Parker and Dixon.

On the green paper ballot with backs to the wall

Now run for retention, ye judges, run all!

It's easy to see why it came to naught.

Pushing aside an empty Frito bag, I find the bus schedule between Chicago and Springfield. The entire week preceding the Inauguration on January 8th was spent as travel agent. It all began with two or three phone calls from folks I knew who wanted to thank me for arranging their invitations to the inauguration and to the ball.

"I'd love to take credit—and you know you're more than

welcome—but I didn't have anything at all to do with it. Why we don't even have an invitation ourselves," I would end up lamely. Still and all, it became necessary to have a complete file available of the train times, the bus schedules, the fares, and the nearest stops on each.

We finally did get an invitation, as it turns out, but were unable to get away—even though we knew the transportation situation so thoroughly. We also knew there probably was not an empty bed in Springfield for any price at all.

The unfinished questionnaire to each of the November 7th election judges and committeemen comes next to hand. The questions all sounded so contrived I had abandoned it. When I get back from Washington, maybe--

There is the pamphlet loaned to me with great misgivings by my son, Jack, which gives the basic information on the Universal Life Church. Jack, at 15, became a minister of that

with a stern eye. . .

The end of the year or an impending plane journey motivates me to clear out my desk. Both struck this week. The year ended over the week-end and tomorrow I enplane for Washington, which should be great fun and I'll tell you about it when I get back. In the meantime—back to the heap of debris on the floor beside my desk. Intimate examination reveals it is composed of sprung paper clips, eraser crumbs, cat hair, three stamps stuck together and--

A Christmas card and snapshots from Charlie and Olivia Greer, the pint-sized Naval couple, adopted and ultimately swept to the altar by the cumulative persistence of the County Clerk's staff. There is a softly smiling one of O. on C.'s lap; on the back it says, 'Honeymoon at last.' One of Charlie, serious: 'Isn't he a cute husband?' (Olivia obviously wrote the pater). On another of Olivia alone: 'We love you, Olivia.' The accompanying notes indicate they are finally together in Hawaii, and that life is at least temporarily, 100 percent bliss. I tucked them away for safekeeping.

There is a copy of our Spanish language pamphlet on voting--

"To do lo que usted deseaba saber sobre el sufragio, pero tenia miedo de preguntar". It too arrived folded into a Christmas card with a note explaining that a friend had been kind enough to go through it and make appropriate corrections to the text. It is true that I have been uneasy since its publication, haunted by the thought that it could say anything in the world and I

Along the Way with

Annie Mae

Congratulations to Walter Shepard, new president of the Antioch Lions Club. Installation took place at Lorenz's on Monday evening. Hats off to past president Gus Costoff who made a fine president last year. Along with the installation, other awards were given.

Saturday January 13th, is the date for Jim Haley when he ties the knot with his future wife, Jamie Last at St. Peters. Much happiness to you both.

Congratulations to local Antioch merchant, Bill Slater and his wife, Marilyn, on the birth of their 2nd child, a son this past week. They are the owners of Fur, Feather and Fin.

Ken Jandula and Tenza have also added a second son to their family.

Former Antioch gal, Barbara (Haase) Glader presented her husband AL, with a little pink bundle on January 3rd. Barb was employed by the Yedele Accounting firm in Antioch. The little lady arrived at the Highland Park Hospital the day before the exciting quintuplet birth.

Wedding congrats are in order for local Antioch fireman, Robert Oddsen and his new bride Priscilla. They tied the knot last week.

Belated 30 year anniversary wishes to Mr. and Mrs. Clarence Haase on January 6th.

Get well wishes go to Lorraine Cerk and Andrea Warner who are both sporting broken bones from falls on the ice. Also Hal Keninier is in Victory Hospital battling the London Flu - Guess it's around. Also get wells to Robert Wilton, Sr. who is a patient at Victory too.

A big get well to Ed Vejvoda who underwent surgery last week at St. Lukes Hospital in Chicago. He'd love to hear from his Antioch friends. You can write him at: St. Lukes Hospital, 1753 W. Congress Parkway, Chicago, Illinois 60612

Birthday greetings go to Dean Frasch and Barb Ano on Jan. 12, to Andrew Bemis on the 14th and special wishes go to Karen Sheehan on the 15th - and Bob Huebner celebrates on the 16th. Happy Birthday All!

Happy one year old birthdays to Christopher Seeman and Andrea Lynn Payne.

Get your dancing shoes ready for the Annual Chamber of Commerce Dinner Dance to be held January 20th at the Antioch Country Club.

SEE Ya,
Annie Mae

MID-YEAR INSTALLATION OF OFFICERS AT ROTARY

At the Rotary meeting last Thursday, President Mike Warren installed Vice President Bill Brook, Secretary Randy Busone, Treasurer Walter Daniels, and Directors Vern Thelen, Ken Mazzuca and Irv Pedersen.

This unusual mid-year installation was the result of a shift in officers. Warren stated that, "The Club has done an excellent job of turning the loss of an officer in mid-year into a gain by planning for the coming year. Club projects for the year include the sponsorship of the high school Interact Club, the 5th Annual Wild Game Dinner, and a hospitality room at the Rotary District Conference.

SHOULD YOU TRADE IN YOUR CAR OR SELL IT?

If you don't intend to keep it, junk it or give it away, you will have to decide on whether you'll use the car as a trade-in on the new one or sell it outright and use the cash in buying your new car.

Some of the reasons for trading in a car are:
It covers the required down payment.

The entire new-car transaction can be handled more easily by doing business with one party—the dealer from whom you buy the new car. This avoids all the bother of advertising, showing your car to many people and personally handling the financial details of the sale.

You've been offered a higher value as a trade-in.

It's worth more than the required minimum down payment, to make your monthly payments on the new car lower, or to cut the time-period for paying the balance on the new car.

FIRST NATIONAL BANK ANNOUNCES PROMOTIONS

SENIOR VICE PRESIDENT WALTER DANIELS

ASST. CASHIER HILMA LIGHTSEY

ASST. CASHIER PETER CLEVEN

Mr. L. M. Woods, President of the First National Bank of Antioch announced the following promotions of officers made at the Board meeting December 22, 1972.

Walter Daniels, Senior Vice President of The First National Bank of Antioch, came to the bank in 1966 as Asst. Vice President. Prior to his move to Antioch, Mr. Daniels had held a similar post with the Wheeling Trust and Savings Bank.

Daniels is a graduate of Illinois Bankers School, Southern Illinois University at Carbondale, Senior Bank Officers Seminar at Harvard Business School, American Bankers Assn. Personnel School at Kansas City, Ball State University Seminar and the University of Wisconsin Graduate School of Banking.

He is a member of Our Lady of Humility Catholic Church in Wadsworth, he is an active member of the Rotary Club of Antioch and a member of the Elks Club of Waukegan.

Avid Sportsman best describes Mr. Daniels leisure activities: Skiing, golf, tennis, hunting in South Dakota and fishing in Canada are high on

his list of recreations.

Peter Cleven, Asst. Cashier to Asst. Vice President. Employed at the First National Bank on March 1, 1971 as manager of the Consumer Loan Department, after working with Household Finance Corporation for five years. He has attended the American School of Banking and is presently enrolled in the Bankers School at Southern Illinois University, Carbondale, Illinois.

He is a member of St. Stephen Lutheran Church and serves as church treasurer and on the church council.

Mr. Cleven also serves on the Village of Antioch Zoning Board of Appeals.

He lives with his wife, Irene, a registered nurse, in Sequoit Terrace. The Cleven's have two children.

Hilma Lightsey, Asst. Cashier started with the First National Bank of Antioch in 1926. She served as Asst. Cashier prior to her move to Chicago in 1940.

Mrs. Lightsey handles collections, Certificates of Deposit, Bank Americard and Master Charge as well as being an officer of the bank.

Hilma lived most of her life in Antioch. Her father, William Rosing, was one of the original members of the Board of Directors of the bank. She took courses in banking and principles of banking at Lake College of Commerce in Waukegan and was employed at the Northwest National Bank of Chicago.

She served two years as Village Collector in Antioch.

Hilma is a member of St. Peter Church in Antioch and the American Legion Auxiliary. She and her husband Dan live in Rosings Subdivision and have two daughters, Karen Galgan and Julie Miller and 3 grandchildren.

DR. BUCAR TO ATTEND NATIONAL OPTOMETRIC CONFERENCE

Antioch Optometrist, Dr. Albert A. Bucar, of 395 Orchard Street will participate in the American Optometric Association's National Optometric Conference Week, January 17-21 in San Antonio, Texas.

The conference week is the major continuing education program sponsored annually by the 17,000 member association, which represents the nation's largest vision care profession. It will feature 17 clinical sessions, 25 mini-conferences on major issues facing health care professions, and a two-day interdisciplinary Conference on Vision and Learning Disability.

Dr. Bucar, chairman of the association's Public Health and Optometric Care Committee, will speak on the early and periodic vision screening, diagnosis and treatment of individuals age 21 and under as covered under Medicaid.

Several hundred optometrists from throughout the nation, including key leaders in the profession, are expected to attend the conferences.

LIKE TO TRAVEL ?

A complete community travel program is being offered by the Corbin Travel Agency. This is the first time such a program has been offered in Antioch and it will operate on a monthly basis taking place the third Thursday of every month.

The first program is scheduled for Thursday, January 18th and will be on Air Sea Cruises in the Caribbean. Representatives from Cunard Steamships will be coming straight from Chicago, with films, slides and a vast supply of information on the area.

The programs will be free and will be complete with door prizes. The location and the topics of the programs will be announced. The Caribbean program on the 18th will be held at 7:30 p.m. in the Community

ROOM in the First National Bank of Antioch.

Barbara Corbin has been busy setting up the Travel Program since early last fall and plans to operate the program until May when it will take a summer recess and resume in the fall.

Barbara is hoping that when residents are interested in visiting a certain place they will let her know. The areas that seem to be drawing the most interest will then head the list of topics to be featured in the program. If you have a particular interest, be sure to give Barbara a call at 395-3050. And if you like to travel or have even a mild interest in traveling be sure to bring yourself and any questions to the first evening travel program on the 18th of January.

ANTIOCH POSTMASTER PRAISED

Antioch's Postmaster, Walter Barnas, was the recipient of praise from U.S. Navy commanding Officer, Captain E.L. West of the Department of Naval Administrative Command as he expressed his appreciation to Barnas for his participation in the very

successful 1973 Lake County Combined Federal Campaign. The Committee's goal was to reach \$6.13 contribution per capita.

The letter said, "Your activity's per capita contribution was \$8.51. Please convey my personal thanks to your personnel and specifically to your Activity Chairman and his keymen, who worked so hard for this very worthwhile cause."

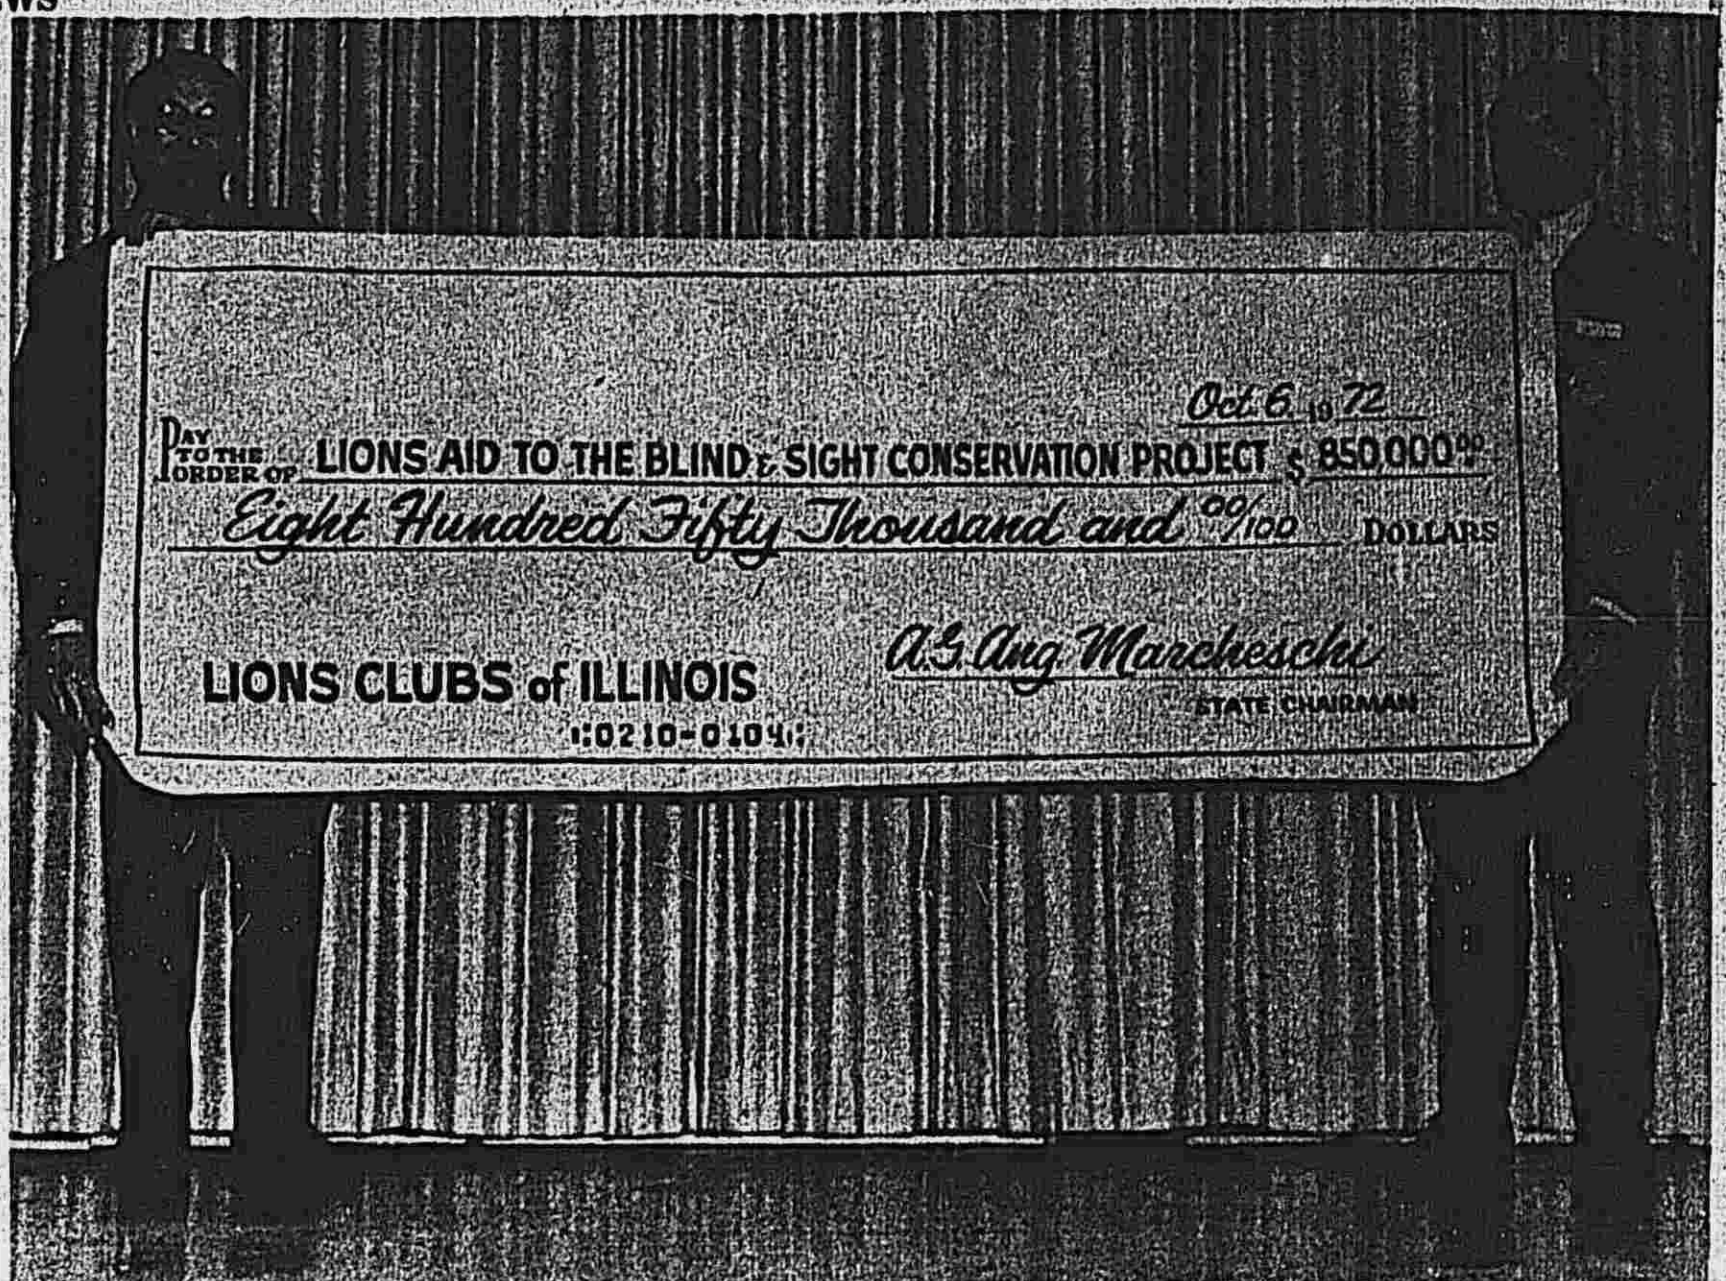

Mr. Barnas also received a certificate of appreciation from the Army Recruiting in Chicago issued by Lt. Col. Peter Clifford. The certificate was issued in appreciation of the Army for using the Post Office's facilities.

LAKE COUNTY LIFE UNDERWRITERS MEET

The Lake County Life Underwriters will have their annual Legislators' Report Luncheon on Friday, January 19, 1973, at 12:00 noon at the Holiday Inn on Grand Avenue west of the Tollway in Gurnee, Illinois.

This annual Legislators' Luncheon has proved most informative not only for the Life Underwriters but for our Representatives to the Illinois General Assembly. The two State Senators and the six State Representatives from this area have been invited to attend this luncheon, and the Underwriters are looking forward to their annual report. The president of the Life Underwriters, James Walsh, (manager of the Metropolitan Life Insurance Agency in Waukegan, Illinois, and a resident of Antioch, Illinois) encourages all members of the Lake County Life Underwriters to attend and bring a colleague in the insurance industry with them. In addition, Mr. Walsh offers an open invitation to anyone in the insurance industry in Lake County to attend this meeting and receive the latest information on insurance legislation proposed in the 1973 General Assembly.

Anyone interested in making advance reservations for this meeting can contact the program chairman for the Legislators' Meeting, John F. Conarchy, 23 North Elmwood, Waukegan, Illinois. Those attending this meeting are urged to make advance reservations by calling Mr. Conarchy at this phone number, 336-8246.

LIONS PROJECT \$850,000 CANDY DAY GOAL

A.G. "Aug" Marcheschi (left), State Chairman Lions of Illinois Blind Activities Committee, 7943 North Nora Avenue, Niles, and W.A. "Bill" Howell (right), Chairman Illinois Council of Governors, 1105 W. Northeast Shore Drive, McHenry, display representative check in the amount of \$850,000 as the Lions projected goal for the CANDY DAY campaign held on Friday, October 6th, 1972. The proceeds of this annual drive will go to aid the visually handicapped and support sight conservation projects.

35TH ANNUAL NATIONAL HIGH SCHOOL ORATORICAL CONTEST

The 10th District of the American Legion, with over 5,000 members in Lake County, announces the 35th Annual National High School Oratorical Contest. Prizes will be offered up to an \$8,500 scholarship. The District contest offers the winner a gold medal, a chance to compete for the scholarships, and a 21-inch high gold Trophy.

The oration is judged primarily on content, with 70 points being given for content and 30 points for speaking skills. These point assignments make it possible for students who are not skilled speakers to win.

For completing a simple weekend assignment, 2 to 2½

typed pages (1,000 to 1,200 words), high school students may win medals for 2nd and 3rd best in the Lake County District. The winner receives the gold Orator's Traveling Trophy with his name and school engraved on it for the school display case, a gold medal for himself, and a chance to compete in a four-District Division contest. Another medal and \$100 scholarship is given for only 2nd best in the Division; the winner receives a \$400 scholarship.

Each high school in Lake County may have one contestant in the Lake County district contest will be held the week of January 29 to February 3, 1973. Judges of the contest are

selected from the County or Circuit Court bench, attorneys, former school teachers, and other distinguished citizens.

A student wishing to enter the 35th Annual American Legion Oratorical Contest should contact the School Superintendent, the Principal, the English Department Chairman, or the History Department Chairman. Additional information can be obtained from the following local American Legion Post Commanders and Americanism Chairmen:

Antioch Community High School, Antioch Post Commander James Ferrier, Route 1 Box 360; or Americanism Chairman Dr. George Jensen, Box 72, both of Antioch.

An easy method of enlarging, or reducing or copying something the same size. We need to know how to copy mechanically to facilitate accurate placing of parts where needed, for often in copying, a picture becomes distorted if it is copied "free hand." Many mechanical devices have been invented for this purpose, the pantograph, opaque projector, and various viewers, but my simple method can be easily learned and requires no device. Just follow the instructions to enlarge the simple drawing below. Cut out the picture or make an exact copy by tracing it.

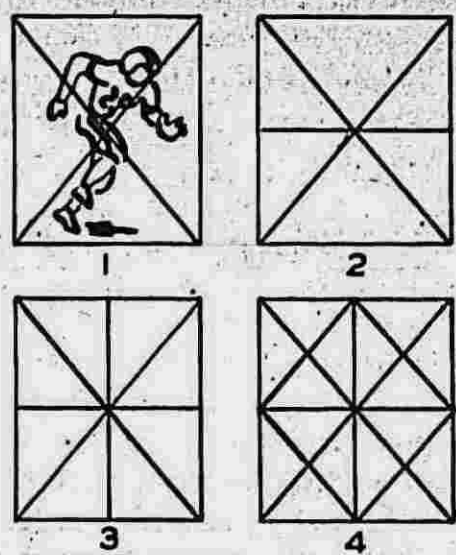

Now place the picture in the corner of an 8 1/2 x 11" sheet of paper as shown in the diagram below.

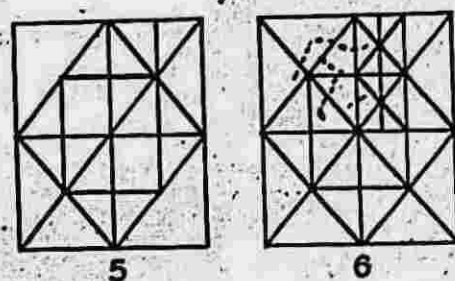

Draw a diagonal line through the picture and onto the drawing paper. Where the diagonal goes off the edge of the paper, draw line "A" being sure it is straight across. Use a triangle to check that the line is at a right angle to the edge of the paper. The space "X" is

excess, that is, your 8 1/2 x 11 paper is not in proportion to the picture and space "X" must be disregarded or not made part of the picture.

Follow as given below, step by step, the drawing of diagonal, horizontal and vertical lines on BOTH the picture and your drawing paper.

Step 4 would be enough lines if the drawing was simple, but for example, features in a portrait would need more lines only in the concentrated area, on the face, nor more in the plain background. Therefore, continue with the diagonals, verticals and horizontals only where needed as in steps 5 and 6, below.

Now simply copy every line in the picture as started in No. 6 above, in the corresponding areas on your drawing paper, and you will see the picture is enlarging and in exact proportions.

Happy copying
Next week: MORE ON COPYING.

REGISTRATION AT CARMEL HIGH SCHOOL

Registration for the 1973 Freshmen class at Carmel High School will take place on Saturday, January 13. All eighth grade boys and girls who plan to attend Carmel next September must come to the school this Saturday morning to register and to take a series of ability and achievement tests. The test results, along with information received from the student's elementary school, will be used by Carmel to schedule the student for next year.

The registration and testing will begin at Carmel at 8:30 a.m. on Saturday morning and will continue until about 12:30. No student can be admitted after 8:30 and no further testing

date is planned for later in the year.

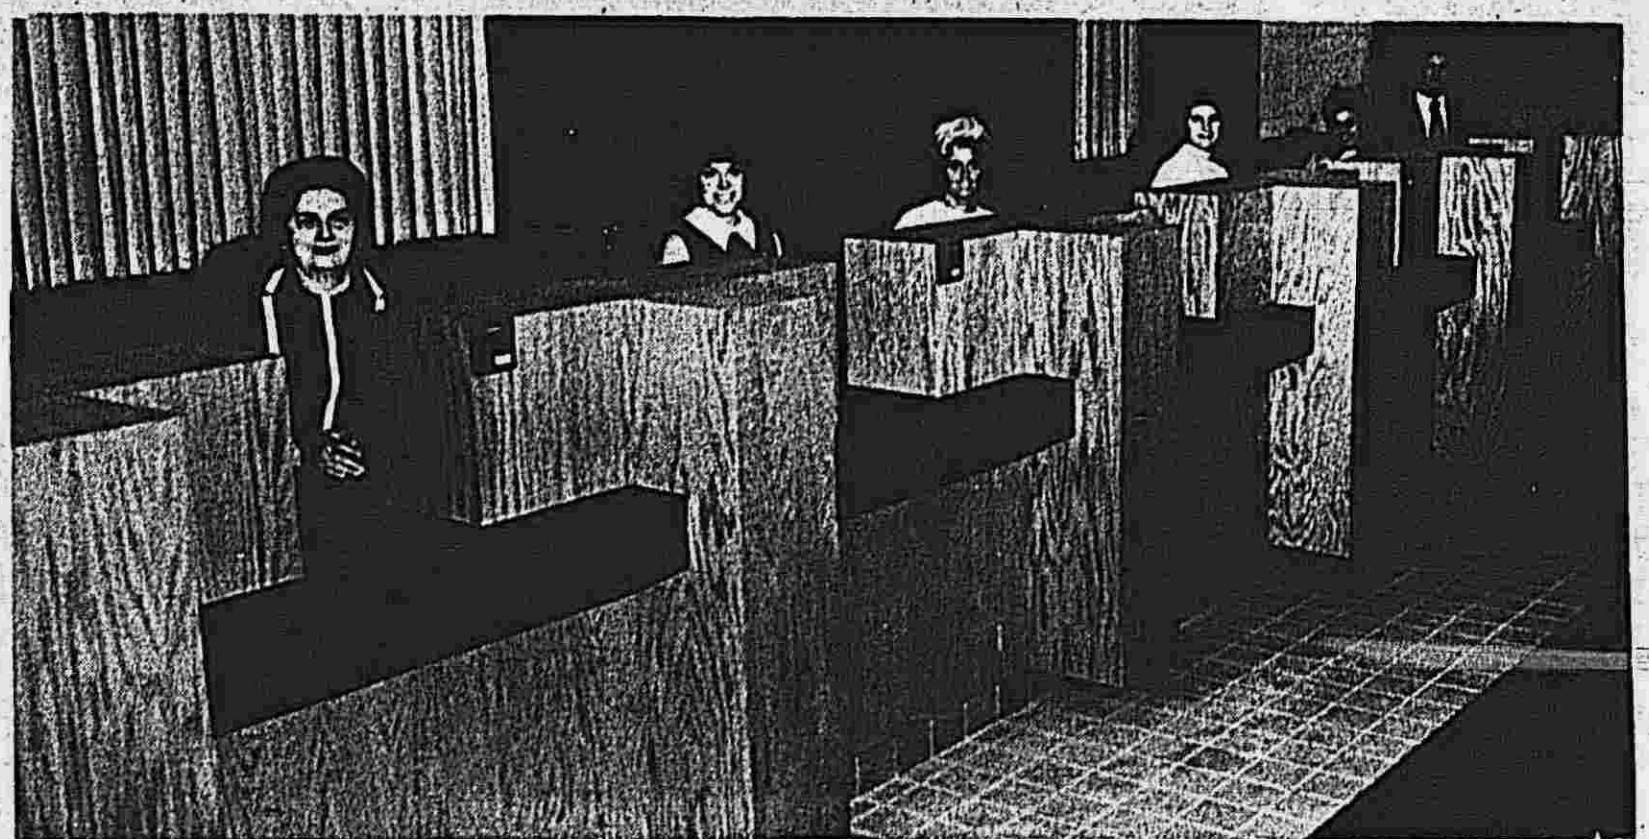

The student must bring a \$5.00 testing and registration fee. Any student who plans to use the Carmel bus service for transportation to Carmel next year should also bring a \$10.00 deposit made out to Carmel - Bus. This bus deposit applies only to students outside the Mundelein and Libertyville area.

The Bus Schedule for area children to take to Carmel for the tests is: St. Peter School, 900 St. Peter Street, Antioch - 7:25 a.m.; Prince of Peace, 135 S. Milwaukee, Lake Villa - 7:45 a.m.; St. Gilbert, 251 E. Belvidere Rd., Grayslake - 8:05 a.m. Routes are scheduled to be at Carmel by 8:20 a.m. These buses will be marked either

Carmel or Lakeland.

Carmel High School for Boys and for Girls is located near the center of Lake County on Route 176 between Libertyville and Mundelein. It is a Catholic High School with a boys division and a girls division. The girls' school is taught by the Sisters of Charity, B.V.M., and the boys' school is taught by the Carmelite Fathers. Both schools use a considerable number of lay men and women on the faculty.

Now in its 11th year of operation, the enrollment totals nearly 1600 from at least 49 communities within Lake county and neighboring Cook and McHenry Counties, and Kenosha County in Wisconsin.

American Legion Auxiliary

"CITIZENSHIP - WHY IT IS A PRICELESS HERITAGE" will be the title for the annual Americanism essay contest, sponsored by the Illinois American Legion and the Auxiliary, according to Mrs. Ray Rathmann, Americanism chairman for the Antioch American Legion Auxiliary Unit No. 748. Mrs. Rathmann will soon be contacting all the local grade schools and the Antioch Community High School in regard to their students participating in this contest. This contest has the approval of Michael Bakalis, Superintendent of Public Instruction, State of Illinois.

There are three categories for entries: Class I - seventh and eighth grades; Class II - ninth and tenth grades; and Class III - the eleventh and twelfth grades. Essays must reach Mrs. Rathmann by February 14th. The essays are first judged on a Unit level, and the Antioch Unit gives cash awards to the first, second and third place winner in each Class. The winning essay in each Class is then forwarded to the 10th District where all three first place winners each receive a \$25.00 U.S. Savings Bond. District winners go into Division competition, and from there, to state competition.

State awards are as follows: 1st place, Classes I and II - a \$50.00 Savings Bond; 1st place, Class III, a \$300.00 award; 2nd place, Classes I and II, a \$25.00 Savings Bond; 2nd place, Class III, a \$50 Savings Bond; and 3rd place each Class - Bronze Americanism medals.

"February is known as Americanism month, since the birthdays of both Abraham Lincoln and George Washington are celebrated then by all school children, as well as local, state and federal government agencies" states Mrs. Rathmann. The American Legion and the Auxiliary stress the importance of perpetuating the American ideals and upholding the principles of American democracy. The basic principles of Americanism are Freedom of Worship; Freedom

of Speech and Press; Freedom of Assemblage; Freedom to Work and to enjoy the fruits of our work; and the Pursuit of Happiness. It is upon these basic tenets that our form of government was established. These beliefs are always in the forefront of the American Legion and the American Legion Auxiliary. Americanism - it isn't just a word, it is a cause, a way of life, a challenge; and a hope in this world of turmoil."

The Antioch American Legion Auxiliary and Mrs. Rathmann are hopeful that a large number of students will participate in this essay contest.

Social Notes

by: Del Jahneke

Four members of the Antioch Lakeside Rebekah Lodge No. 82 attended the installation of officers - of the Libertyville Rebekah Lodge, held in the Libertyville Masonic Hall on January 4th. Mrs. Clarence Larson, Noble Grand; Mrs. Harold Ellis, Mrs. Sophie Radakovic and Mrs. Wayne Jones thoroughly enjoyed the colorful and solemn ceremony. The Lakeside Rebekah Lodge will hold their annual installation of officers on January 17th, at 8:00 p.m., at the Antioch American Legion Home. Newly elected officers for the ensuing year will be Mrs. Charles Ferris, Noble Grand; Mrs. Wayne Jones, Vice Grand; Mrs. John Hagen, Recording Secretary; Mrs. Harold Ellis, Financial Secretary; and Mrs. Walter Buchert, Treasurer. The appointive officers will be designated at a later date. The public is cordially invited to attend this installation.

Mrs. Joseph Rhymer of rural Antioch has spent a pleasant two weeks at her daughter's home in Urbana (the C.W. Wikoff's). On December 30th, she had the thrill of seeing the candle light wedding ceremony of her grand-daughter, Joan Wikoff, to Timothy Scott, at the

Methodist Church in Urbana. The reception was held in the Colony Room of the Lincoln Hotel. 'T'was a grand evening for all!

Coleen DeVries will be thirteen years old January 10th, but her family held her birthday dinner celebration on Sunday, January 7th, with her parents, the Bernard DeVries, and her two older sisters, and their husbands, the Robert Janunas' of Waukegan; and the Dan Martin family of North Chicago; and better not forget the youngest sister, Dianna! Happy Birthday Colleen!

BITS AND PIECES

By: Taffy Engelhardt

Bob Harkey, veteran of the Indianapolis "500" will present an informative program at the Antioch High School on Monday, January 8, 1973 at a special assembly at 1:30 p.m. Mr. Harkey's presentation is entitled "Highway Safety is No Accident". The program has been developed by the Champion Spark Plug Company and has received the Public Service Award of the National Safety Council. Bob Harkey is fully qualified to speak on the important subject of Highway Safety. In addition to having driven race cars for years, he averages 35,000 miles a year as a highway driver. When Mr. Harkey isn't racing, he devotes his time to Highway Safety Programs, relating his experiences on the track to driving on the highway. Although the program is scheduled for high school students, anyone from the community interested in hearing Bob Harkey is invited to attend.

On Saturday evening, January 6th, the Swing choir directed by Mr. Ralph Brooke sang at the Trinity Methodist Church in Lindenhurst for Epiphany. The Acappella Choir has been busy rehearsing for this year's festival which will be held at Lake Forest High School in February.

If anyone happened to walk down the hallway by the cafeteria recently, you'd probably think the food was unfit to eat - from the odor. Thank goodness, the repulsive smell wasn't from the cafeteria food, it came from Mr. Brown's Biology II class. They've been dissecting mink and writing comparative anatomy papers.

The semester, marking half of the school year will be ending soon. Our dreaded semester exams will be between the 16th and 19th. At this time, many students have several schedule changes, as they go to different classes.

The Sequoits smeared the Grayslake Rams on Friday night on the home court but lost, 59-55 on Saturday at Zion-Benton, a non-conference game.

The junior PSAT scores came in Friday and were available for analyzing by the counselors after school that day.

MILLBURN: A TOWN THAT WILL BE VICTIMIZED

All good things come to an end sometime. Well, the small town of Millburn is no

"SEQUOIT HAPPENINGS"

exception. Plans are in sight to widen Rte 45 to a four-lane highway. The plans I am speaking of are in most libraries in Lake County, detailing all the expansions and extensions to roads in Lake County from now until 1991. Granted, this may seem like quite a long way off, but plans are in effect to enlarge many of the roads in Lake County. This would wipe out completely all the historic background that Millburn ever owned, which, in my mind, is one of the few places in Lake County which has such an interesting background.

In 1838 settlers were arriving at the Southwestern portion of Lake Michigan. All were seeking the same thing: Opportunity, life and freedom. But not all came by water. Some came by covered wagons over the Alleghenies by way of the Cumberland Road. When they finally arrived, the land claiming office was crowded and all land on Lake Michigan was taken. So the settlers, all of Scottish origin, were pushed westward.

They had settled in Northern Lake County, just south of the Wisconsin territory border. They were 15 miles west of the U.S. Military post on Lake Michigan called Little Fort. Through the years, Little Fort became Waukegan. Where they had settled, was a swift stream running close by. This was their connection with life, and they made very good use of it.

There was so much work to be done, everybody had to pitch in. Land to be cleared, crops to plant and raise, homes and barns to be built. The only possible way to erect all of these buildings was to design a mill on the creek. During this time, though people had to live on something. The first homes

erected were some houses built of clay and were occupied until 1904. The Bonners, who built that house, still have descendants in the Millburn area, who own a farm that has steadily been taken over through generations.

Yet the founders of this community who had settled along the "burn," (means stream in Scottish) did not want anything to do with the railroad company, which had the decency to ask them if they would like to have a railroad pass close by. They definitely said no, and the railroad was moved to another nearby town which was named Antioch.

At that time Scotch settlers, who were a closely knit group, didn't want anything to do with something that would change the surroundings of a place they had loved. They cleared and worked the land that they had sailed an ocean for, and had young ones to carry on their different trades.

Now, more than 120 years later, they want to take the same surroundings away from us. With a few of the original houses remaining, the road would wipe out approximately 15 hours and our church. The church has its own story behind it, and since the founding fathers, there have been four different churches, all of which burned down. At least half of those houses have a significance in our history, and possibly our church just wasn't meant to be. But the settlers before us stood their ground when a change confronted them, and I think the citizens of Millburn and the surrounding areas should stand theirs because unfortunately, this isn't the only community that this type of change will take place in!

Ed Anderson

Art Blecke and Taffy Englehardt chat with Bob Harkey. Mr. Harkey was guest speaker at an assembly at the high school speaking on "Highway Safety Is No Accident".

The speaker program is sponsored by Champion Spark Plug Company. The company has 8 drivers on the road speaking on safety. Mr. Harkey is in his 8th year in this program. He will speak in 55 cities in Illinois between now and April.

Driving twice in the Indianapolis "500" - Bob finished in 8th place in 1964. He is still an active race driver. (Staff Photo)

THE SEWER

957 VICTORIA ANTIOCH PANTS & MORE LTD.

Astro-Chart

(Week of Jan. 12-18)

ARIES (March 21-April 20): Ambitious projects undertaken now can succeed if you plan well. An exciting job opportunity could come your way. Weekend is fine for social events; be sure to watch grooming. Best day: Tuesday.

TAURUS (Apr. 21-May 20): A time to concentrate on neglected work, school or civic projects after the long holiday interruption. A talent you haven't exploited could bring recognition, opportunity. Best days: Friday, Saturday.

GEMINI (May 21-June 21): Career matters may slow down and you may feel restless and bored. Avoid tension with co-workers by sticking to your own duties, getting the job done. For the unmarried, an unexpected turn of events could bring you in contact with an old acquaintance.

CANCER (June 22-July 21) Finances show improvement. Shop now for clothing bargains for yourself or as gifts for family or friends. Spouse or family could be difficult. It will take patience and tact to avoid unnecessary quarrels.

LEO (July 22-Aug. 22): A change of pace can lift your spirits. Take time off for socializing over the weekend; visit friends and accept all social engagements. Don't let the post-holiday blues get you down! Best day: Thursday.

VIRGO (Aug. 23-Sept. 22): Take care to avoid straining the budget. Period just ahead is a time for prudence in financial matters. Be sure to get adequate rest to maintain health and pep. Best days: Sunday, Wednesday.

LIBRA (Sept. 23-Oct. 22): An active week ahead for those born under your sign. Invitations, parties could brighten your weekend. Be sure to include spouse or loved one in all activities. Work should go well and associates will be cooperative. Best days: Monday, Tuesday.

SCORPIO (Oct. 23-Nov. 22) BE practical in matters involving joint financial plans. Heed the counsel of someone in authority who has your best interest at heart. Take special care if traveling over weekend to avoid accidents. Best day: Saturday.

SAGITTARIUS (Nov. 23-Dec. 21): Planetary influences bright for your sign. Career signs are excellent. A good time to think of seeking promotion or a new opportunity with higher pay, prestige. Best days: Monday, Wednesday.

CAPRICORN (Dec. 22-Jan. 20): Tend to matters you've been neglecting at home. Fine for cleaning up left-over holiday chores. Shopping for household items can mean bargains. The weekend is fine for social life, but be ready to concentrate on more demanding tasks Monday. Best day: Thursday.

AQUARIUS (Jan. 21-Feb. 18): Solar influences indicate it's time for a break from routine. Indulge yourself with an evening out or a shopping trip. You've been feeling tied down by responsibilities. Best day: Friday.

PISCES (Feb. 19-Mar. 20): Don't neglect family responsibilities if you wish to maintain harmony. Surprise someone special with a gift or invitation. Work could go slow, but superiors are watching. Concentrate on duties. Best Day: Sunday.

WHERE SAVING IS REWARDING

FREDERICK J. WALPOLE
PRESIDENT

ANTIOCH SAVINGS *and Loan Association*

425 LAKE STREET • ANTIOCH, ILLINOIS 60002 • AREA CODE 312 395-3030

January 5, 1973

Dear Antioch Savings Customers and Friends:

The past year saw the biggest growth ever experienced by the nation's savings and loan business.

Here at Antioch Savings the year had also been a highly successful one. Savings gains continue at a record setting pace, and we have an ample supply of mortgage lending funds on hand. Interest paid on savings accounts remains at the maximum permissible rates allowed by Federal regulations, which are higher than commercial bank rates.

The prospects for 1973 look favorable for the American people and for business conditions. Much depends, of course, on the settlement of the war in Vietnam and further progress in the nation's fight against inflation. We are optimistic that peace will mean an easing in the rate of inflation and a reduction in inflationary expectations.

The assets of Antioch Savings at December 31, 1972 exceeded \$25,250,000, a twenty per cent hike over a year ago. During the past year we paid a record \$1,092,000 in interest to our savings depositors. After paying this interest and our operating expenses, we were able to set aside \$155,825 for reserves, bringing total reserves up to \$1,160,000.

We are proud of reaching \$25 million in assets, having accomplished this without ever employing "money brokers" or paid "sponsors" to secure savings deposits, as some financial institutions have deemed it necessary in order to continue growth. We at Antioch Savings feel that our success is due to the continued loyalty of our many thousands of customers and friends, who all deserve to be rewarded. Please join us for coffee and cake during our January, Twenty-Five-Million-Thank-You-Celebration.

It was a pleasure to serve you during 1972, and we hope we can serve you better in 1973.

Cordially,

Frederick J. Walpole

AMERICAN PARTY CLUB

The January meeting of the American Party Club of Lake County will be devoted to a discussion of political party organization and precinct work. It will be open to all who are desirous of building a third party movement to provide the voters with a choice of honest and patriotic candidates in local, county, state, and national elections, according to Mrs. Muriel M. Jorn, American Party State Central Committeewoman for the 13th Congressional District. The meeting will be held on Saturday, January 13, at 7:30 p.m. in the Jones Island Park Building, 243 Harvey Ave., Grayslake. Anyone desiring further information may call Mrs. Jorn at 223-4934.

Bill and Marilyn Slater of Fur, Feather and Fin not only raise cats, dogs, and gold fish. They have added another member of the "people" race - son number 2 arrived (red hair and all) on January 4, 1973. (Staff Photo)

LAKE COUNTY HEALTH ASSOCIATION HOSTS 20th ANNUAL DINNER

The Lake County Mental Health Society will host its twentieth Annual Dinner Meeting, Wednesday January 17, 1973 in the Viking Room of the Swedish Glee Club. Dr. Aaron S. Mason, Director of Downey Veterans Hospital will be guest speaker, and his topic will be "Attitudes About Mental Illness-Past and Present."

Before being named as director at Downey in May of 1972, Dr. Mason was director of Veterans Hospitals in Buxton, Mass., Omaha, Wis., and

Lexington, Kentucky. He was named to the Humans Relations Coordinating Committee by the governor of Kentucky and is a Founder and Past President of the Kentucky Central Mental Health-Mental Retardation Board. Dr. Mason was recently named an Associate Professor at Northwestern Medical School.

Tickets for the Smorgasboard Dinner are \$6.00 each and may be obtained by calling the Society Office 362-5380 in Libertyville before Jan. 12.

New Deductions

A baby girl, Lisa Lee, was born Dec. 13th to Mr. & Mrs. Victor H. Filip III, of 441 Harding Ave., Des Plaines. Lisa weighed 8 lbs. and 1 1/2 oz. The paternal grandparents are Mr. & Mrs. Victor H. Filip of Antioch.

OOPS! We goofed. Julie Ann Van Patten's maternal grandparents are Mr. and Mrs. Robert Garvin.

Mr. and Mrs. Frank Marotta are the proud parents of a new baby girl born on January 4th. Angela Lynn, their first baby, weighed in at 6lbs. 5 1/2 oz.

Maternal grandparents are the H.L. Schneiders, formerly of Lake Villa, now living in Plymouth, Wisconsin. Paternal grandparents are Mr. and Mrs. Rocco Marotta of Lake Villa.

A second son was born to Mr. and Mrs. Ken Jandula of Antioch on January 3rd. Brian Kenneth tipped the scales at 7lbs. 12oz. Brother Brett, 4, was delighted with his new brother.

Maternal grandparents are Mr. and Mrs. Gus Galanopoulos of Antioch and the paternal grandmother is Mrs. May Jandula of Silver Lake.

Mr. and Mrs. William Slater, owners of Fur, Feather and Fin in Antioch became the parents of a little boy born on Thursday, January 4th. He tipped the scales at 7lbs. 10oz. and was 21" long. No name has been selected for the baby as yet.

The Slater's have one other son, William, 2 1/2, with bright red hair and baby brother follows right along.

Maternal grandparents are Mr. and Mrs. Lloyd (Red) Murrie of Antioch and paternal grandparents are Mr. and Mrs. Fred Pullin of Antioch.

WOMEN OF THE MOOSE

At the business meeting, held December 14th, Bernice and Nancy Ahlert received their chapter pins after attending three consecutive meetings. The new password was given to all co-workers. Birthday marchers were Shirley Gehrls and Jerri Polson.

On December 16th, a Snow Flake dance was held in honor of Henry and Harriet Grewe. This was a complete surprise to them. It was in appreciation for all the work they do for the annual Feather Parties. The proceeds are kept in reserve for all the parties held throughout the year for the children of Moose members. Much work went into the planning of this dance by Gerry Mark and her husband, Seth. Snow-flakes hung from the ceiling, made from paper doilies, decorated on both sides with glitter. Barbara Seelhoff and Betty Jorgensen spent many hours making them. May and Les Palmer sat at the honor table with the Grewes, and are also to be thanked for their assistance through the years at the Feather Parties. Gerry wishes to thank all those that helped in making this dance a huge success.

At the Jan. 4th chapter night program one candidate, Irene Tosta was enrolled, sponsored by Child Care chairman, Lee Elia. Gert Good, member of this committee, showed slides of Women of the Moose activities, of years gone by. What a difference in hair styles and clothes in a span of ten years! Slides were also shown of one of the hilarious men's style shows. Co-workers really enjoyed these memories and would enjoy a repeat!

Vi Shrader, Social Service Chairman, and her committee are to be commended on the

very successful New Year's Eve dance. Music was provided by the very enjoyable Frank Merle band. The table was laden with food. There were door prizes and hats and noise makers and confetti and fun! Approximately 180 were in attendance, making for a crowded dance floor. Members of Vi's committee that worked diligently to make this dance a success were: Anne Stickler, Pearl Roach, Irene Brylinke, Mildred Bennett, Mildred Fraser, Rita Brandt, Lorraine and Shirley Rentsch, Diane Chase, and assisted by Sr. Regent Karen Bartuska.

Advance Dates: Sweetheart Dance - Feb. 10th, sponsored by the entire chapter of the Women of the Moose - 9:30 p.m. Donation \$1.00 per person. Tickets available from the women officers. Music will be provided by the Frank Cuden Trio. There will be door prizes and refreshments. The proceeds will be used to help defray the cost of Chapter Rally Day, to be held February 25th at the Antioch Methodist Church. Antioch chapter will be the hostess chapter.

Women of the Moose business meeting will be held January 18th. Co-workers, please attend. We need the practice of our ritualistic ceremony for the up-coming Chapter Rally Day. Ritual director, Shirley Gehrls, will announce a ritual practice in the near future.

BEGINNER SQUARE DANCE CLASSES BEGIN

The Waukegan, North Chicago T.N.T. Square Dance Club once again is offering beginners classes of modern square dancing.

The 20 week course will begin Tuesday, January 23rd from 7:30 to 10:30 p.m.

The first lesson is free if you do not wish to sign up for the classes.

AUDITIONS SET FOR WEST SIDE STORY

Auditions for St. Mary of the Lake Seminary's production of West Side Story will be held on Tuesday and Wednesday, January 9 and 10, at 8:00 p.m. in the seminary auditorium. The Seminary is located 1/2 mile east of Rt. 45 on Rt. 176. Anyone interested in auditioning should be prepared to sing a song. There are openings for both

males and females in the cast. Help is also needed on work that takes place behind the scenes. The play will be directed by Mr. Jeffrey Harris who was with the Goodman Theatre last year. The play will be held in early April. Rehearsals will probably be held on weekends. For further information please call 566-0826.

CONGRESSMAN AND MRS. McCLORY WILL HOST INAUGURAL OPEN HOUSE

Congressman and Mrs. Robert McClory will host an Open House Brunch for all 13th District visitors attending the Inaugural festivities in Washington, D.C., on Saturday, January 20th.

Repeating the highly successful social event of four years ago, Congressman and Mrs. McClory and the entire congressional staff will receive

guests for an Inaugural Brunch from 9:00 to 11:00 a.m. on Saturday, January 20th, in the Congressman's congressional office--Room 2452 Rayburn Building.

The official Inaugural Ceremony on Saturday at 11:30 a.m. is by special invitation and will take place in front of the United States Capitol, which is adjacent to Congressman McClory's office in the Rayburn Building.

"STRICTLY FOR WOMEN" IS NEXT WOMAN'S CLUB PROGRAM

As the Holiday Season comes to an end, the Antioch Woman's Club will resume its regular meetings. The next meeting will be on Jan. 15. The program will feature a humorous monologist, Miss Marilyn Kaufman. Her subject will be, "Strictly for Women." A graduate in drama and radio, Miss Kaufman has served in such capacities as radio director and actress as

well as much work with Little Theater groups in Minnesota. Recently she has become active in Illinois and all who see her are anxious to see her again. All members are urged to remember to bring their cookies for Downey Hospital to the meeting. (Cookies with no nuts). The members of the board will meet at 12:00 noon.

LAKE COUNTY NAIM GROUP

The Lake County NAIM Group an Organization for widows and widowers meet the 2nd Sunday or each month, at Our Lady Of Humility Church hall--1801 Wadsworth Road--Zion at 2:00 P.M., Jan. 14, 1973. For information contact Tony Boyniewicz, 336-0178 or 336-2739.

Entertainment will be furnished by the well known "John Grew and his Harmonica Players."

**DEBRA HERBERT
ENGAGED**

Mr. & Mrs. William H. Herbert, Jr. of 515 Winsor Dr. Antioch, Ill. are happy to announce the engagement of their daughter, Debra, to Kevin Kelly, son of Mr. & Mrs. Michael Kelly of Rte. 45, Antioch, Ill.

The bride-to-be is presently attending Augustana College in Rock Island. Her fiancé is managing Foremost Liquors in Lindenhurst. A June 30th wedding in St. Peter's Church in Antioch is planned.

NEWCOMERS HOLD TOBOGGAN PARTY

The Antioch Welcome Wagon Newcomers Club will hold a toboggan party - Saturday evening, January 20th at 8:30 p.m. Guests are invited to attend. The cost will be \$1.00 per person. Please contact Evelyn LaFata (395-6044 after 4:30 p.m.) for reservations and additional information.

The Newcomers will hold a discussion and informative meeting on investments which includes stocks and bonds. This will be held on Wednesday,

January 17th at 7:30 p.m. at the Methodist Church. Mr. Lewis will speak and we hope all will attend who are interested.

Our arts and craft program will offer very shortly painting and decapouge. If you are interested in these or any of our other programs, please call Betty Baker - 395-3650 for more information.

All of the above are open to anyone Helen De Vries of The Welcome Wagon has called upon during the past year.

A.A.R.P. MEETING PLACE CHANGED

The Antioch Chapter of the American Association of Retired People Chapter No. 387 has changed their meeting place to the United Methodist Church Hall, 848 Main Street, Antioch. The meetings will begin at 12:30 p.m. Parking in the rear.

NOTICE OF SPECIAL BOARD MEETING

She was preceded in death by 1 sister Dorothy Kostuch.

Funeral services were held at Strang Funeral Home in Antioch on Tuesday. The Rev. Donald Cobb of Antioch officiated.

Legal

ORDINANCE NO. 73-1-1

AN ORDINANCE REGULATING STORM WATER DETENTION WITHIN THE CORPORATE LIMITS OF THE VILLAGE OF ANTIOCH, ILLINOIS

BE IT ORDAINED BY THE PRESIDENT AND BOARD OF TRUSTEES OF THE VILLAGE OF ANTIOCH, ILLINOIS:

SECTION 1: STORM WATER DETENTION:

(a) A combination of storage and controlled release of storm water runoff shall be required for all commercial-industrial developments of one (1) acre or more in area, for all multiple-family residential developments of two (2) or more acres in area, and for all single-family developments of five (5) acres or more in area.

(b) The release rate of storm water from all developments requiring detention shall not exceed the storm water runoff from the area in its natural undeveloped state. A release rate of not greater than that calculated from a storm of three (3) years frequency with a runoff rate coefficient of 0.15 will be acceptable unless the applicant can show by detailed calculations which are acceptable to the Village Engineer that the discharge rate of the natural outlet channel serving the area is greater.

(c) Storm sewer systems shall have adequate capacity to bypass through the development the flow from all upstream areas for a storm of design frequency assuming that

the land is in an undeveloped state. However, should the property upstream be in a partially or fully developed state, the developer shall install an adequate sewer system to handle the increased runoff. The bypass flow rate shall be computed utilizing a runoff coefficient of not less than 0.35. An allowance, equivalent to the reduction in flow rate provided, will be made for upstream detention when such upstream detention and release rate has previously been approved by the Village and has been constructed.

(d) The live detention storage to be provided shall be calculated on the basis of the 100-year frequency rainfall, as published by the U.S. Weather Bureau for this area. The detention volume required shall be that necessary to temporarily store the runoff of a 100-year rainfall, for any and all durations, from the fully developed drainage area tributary to the reservoir, less that volume discharged during the same duration at the approved release date.

(e) In the event the downstream sewers are inadequate to receive the release rate herein above provided, then the allowable release rate shall be reduced to that rate permitted by the receiving downstream sewers and additional detention as determined by the Village Engineer shall be required to store that portion of the runoff exceeding the capacity of the receiving sewers.

(f) Plans, specifications and calculations for storm water detention facilities as required hereunder, shall be submitted to the Village Engineer for approval prior to the commencement of construction.

SECTION 2: PENALTIES:

Any person who violates any provision of this Ordinance shall be liable for a penalty not to exceed One Thousand and No 100 (\$1,000.00) Dollars for each violation and an additional penalty not to exceed One Hundred and No 100 (\$100.00) Dollars for each day during which the violation continues.

SECTION 3: PARTIAL INVALIDITY:

If any provisions of this Ordinance or the application to any person or circumstance is held invalid, such invalidity shall not affect other provisions or applications of this Ordinance, which can be given without the invalid portion or application, and to this end the provisions of this Ordinance are declared to be severable.

SECTION 4: RATIFICATION AND REPEAL:

That except as heretofore amended and modified herein, the aforesaid Ordinance is hereby ratified and approved, but all parts of ordinances inconsistent herewith are hereby repealed.

SECTION 5: DATE WHEN EFFECTIVE:

Churches

Christian Science

In Matthew 26th we read of the Passover which Jesus ate with his disciples on the night before his crucifixion. In the Lesson-Sermon entitled "Sacrament" this Sunday at First Church of Christ, Scientist this citation from Science and Helath with Key to the Scriptures by Mary Baker Eddy will be read: "If all who ever partook of the sacrament had really commemorated the sufferings of Jesus and drunk of his cup, they would have revolutionized the world."

Services are conducted by Mrs. Evelyn Greer, First Reader, and Mrs. Mary Adams, Second Reader, at First Church of Christ, Scientist, BEACON HILL, Rte 173 & Harden, Antioch, Illinois. The service is at 11 a.m. All are welcome.

POLLUTION VARIANCE

ANTIOCH-REALCOR, LTD. has filed with the Environmental Protection Agency and Pollution Control Board a Petition for a Variance. Title IX of the Environmental Protection Act provides for individual variances upon proof by the Petitioner that compliance with specific provisions of the Act, related regulations and/or Board Opinions would impose upon the Petitioner an "arbitrary or unreasonable hardship". The Petitioner alleges such a hardship, and requests permission for a construction only permit for a proposed sanitary sewer extension for Realcor Industrial Park to be located in Lake County at Antioch, Illinois.

The Environmental Protection Agency solicits the views of persons who might be adversely affected by the granting of the variance. Any comments or

inquiries should be addressed to: Variance Section, Division of Water Pollution Control, Springfield, Illinois, 62706, (217-525-6171). Formal objections to the petition may be filed in writing with the clerk of the Pollution Control Board, 309 West Washington Street, Chicago, Illinois, 60606.

"IT'S A GAS"

A demonstration of the unique and fascinating properties of natural gas are featured in a program called "It's A Gas," to be presented at a meeting of the North Shore Business & Professional Women's Club on Jan. 11 at Winnetka Community House, 620 Lincoln, at 6:30 p.m.

Candy S. Minks, representing North Shore Gas Company, a subsidiary of Peoples Gas Company of Chicago, will show the audience how natural gas is used to control pollution and perform a variety of other important and useful services—all made possible through gas industry technology. The 30-minute live program is designed to entertain and inform audiences ranging from sixth-graders to adult professional groups.

During her presentation, Mrs. Minks uses gas which has been liquefied at a temperature of 320 degrees below zero. In this brief probe of cryogenics—the science of extremely cold temperatures—she shows what happens to a fresh flower, a rubber ball and an inflated balloon when they are dipped into the liquefied gas. She continues this part of the demonstration by illustrating a few of the practical uses of natural gas.

To show how natural gas is used in combating environmental pollution, Mrs. Minks uses a gas flame to consume odors and smoke produced by burning incense, much the same way that gas-fired afterburners destroy emissions from indus-

trial smokestacks.

During a five-year period from 1968, Mrs. Minks presented a earlier, related program entitled "The Magic Suitcase" which was presented at numerous gatherings of social and fraternal clubs, professional groups, student

assemblies, and various community events. In all, more than 100,000 persons view "The Magic Suitcase" program.

"It's A Gas" is made available free through North Shore Gas Company which serves 46 communities in northeastern Illinois.

ARTHUR F. ZERSEN PROMOTED

Petrolane Incorporated has announced the appointment of Arthur F. Zersen, a resident of Lindenhurst, Ill., as regional operations manager in the Midwest region of the company's LP-gas division, it was announced by Thomas Ginther, LP-gas regional vice president.

Mr. Zersen has been a Petrolane employee since 1967. In his current position he will handle LP-gas operating activities in 32 district offices in Illinois, Indiana, Michigan and Wisconsin. His office is located at 1030 Skokie, Gurnee, Ill.

Petrolane is the largest independent LP-gas marketer in the United States and conducts LP-gas business in 47 states, Canada, Mexico, Puerto Rico and in Western Europe. Its headquarters are in Long Beach, California.

DIANE VOS ON DEAN'S LIST

Diane Vos, 532 Winsor Antioch has been named to the Dean's list at North Park College, Chicago, for the fall term. She is a member of the sophomore class.

The Dean's list at the church related college is made up of the men and women who earn an average of 3.1 or better. All A's make a 4.0 average.

North Park College, founded in 1891, is operated by The Evangelical Covenant Church of America, a denomination of 560 churches in the United States and Canada. A co-educational school, North Park is accredited by the North Central Association of Colleges and Secondary Schools.

TERRY WITKOWSKI RECEIVES DEGREE

Terrence Witkowski, son of Mr. & Mrs. Henry Witkowski of Petite Lake Park, Lake Villa, received a Master of Science degree in Management from the University of California, Los Angeles this December.

Mr. Witkowski, a 1966 graduate of Antioch Community High School and a 1970 graduate of Northwestern University in Evanston, is now working toward a Ph.D. degree at the University of California, Berkeley.

After completing his education, he hopes to teach and research marketing management at a university or graduate school.

SNOWMOBILE

EXPLANATION

Towns with snowmobiling facilities are indicated on the Map by ■ or ●.

Those areas are shown with a ■ have trails and/or slopes open to the public without charge; those symbolized by ● have a daily fee.

Stop in at your local Snowmobile dealer and pick up your map with complete information on all facilities at each area on all Snowmobile routes in Illinois, Wisconsin, Michigan, etc.

Your dealer has the goods to make your snowmobiling a pleasure.

THE STRANGE CREATURE

There's a new type of creature emerging on earth, I'll describe him to you for whatever it's worth. He comes out of hiding in winter, I'm told. He rejoices in weather that's terribly cold.

He leaves the warm fireside, his wife and his kids, Climbs onto a motor, a belt, and two skids. The machine comes to life, he is ready to go — But wait — he can't!! There isn't any snow!!

For the past eighteen days, he's been wearing his suit, Which is covered with zippers from parka to boots, And mittens, and helmet, and mask on his head, "My, my, says his wife, "Must you wear that to bed??"

Then it finally happens, the ground has turned white. He's on his machine and he roars out of sight. On the flat, he'll crouch down, on a corner he'll lean, And they tell me his blood is like pure gasoline.

Over hill, over river, through marsh and round trees. Over rockpile and sand pit, down on his knees! He looks like he's praying as onward he flies. Is it a monster or man? All we see are the eyes!!

He'll go charging ahead when it's twenty below, Into a blizzard of on rushing snow. By what demon possessed is this new breed of man, Who finds joy in a snowstorm like no human can?

But what happens in summer when snow is not there? Is he out on the porch in an old rocking chair? No — he's inside the house for the whole world to see Sitting there on his snowmobile, watching T.V.

by Lloyd Barnett

SNOWMOBILE OWNERS' CODE OF ETHICS

1. I will be a good sportsman, recognizing that my actions reflect on all snowmobile owners.
2. I will not litter trails or camping areas. I will not pollute streams or lakes.
3. I will not damage living trees, shrubs, or other natural features.
4. I will respect other people's property and rights.
5. I will lend a helping hand when I see someone in distress.
6. I will make myself and my vehicle available to assist search and rescue parties.
7. I will not interfere or harass hikers, snowshoers, ice fishermen or other winter sportsmen.
8. I will be aware of, and obey, all federal, state, and local rules regulating the operation of snowmobiles in areas where I use my vehicle. I will inform public officials when using public lands.
9. I will not harass wildlife. I will avoid areas posted for the protection or feeding of wild life.
10. I will stay on marked trails or marked roads open to snowmobiles.

SNOWMOBILE SAFETY TIPS

1. When planning an extended trip, prepare a route plan with an estimated time of return and give this information to a responsible person. When traveling on state or federally owned lands, check in and out with the park officials or ranger station.
2. On an extended trip carry emergency equipment (snowshoes or skis, flares, tow line, waterproof matches, hatchet, plastic sheet, food, extra fuel, compass and map). Avoid traveling alone in remote areas.
3. Do not cross or travel on frozen lakes or streams until the ice is thick enough to easily support weight of fully loaded snowmobile.
4. Keep physically fit for winter sports—always carry a first aid kit—dress for possible extremes in temperature.
5. Keep posted on weather conditions—don't travel in a storm or impending bad weather.
6. Keep snowmobile in top operating condition—always carry a tool kit.
7. Stay on marked trails or roads open to snowmobiles—avoid cross country travel unless authorized.

3 DAY HODAG AT RHINELANDER

Several professional drivers racing Scorpion, Polaris, Ski Doo and Rupp snowmobiles will compete in the Rhineland Hodag and Marathon on January 26, 27 and 28. The feature is set for 3 p.m. Sunday, January 28th. One woman, Miss Dorothy Mercer, will compete in the professional races.

The pro races are an innovation of the United States Snowmobile Association and if successful, may be the forerunner of a Gran Prix snow racing circuit. Other races on

the three day Hodag calendar include sprint and marathon enduro racing for all classes of the USA. Friday evening, snow fans are invited to participate in Hodag trail rides sponsored by the Hodag Corporation.

The Rhineland races are part of Wisconsin's Triple Crown of Snowmobiling, which offers special prize money for drivers who participate and win at Rhineland; Eagle River's World Championships, Jan. 19-21; and Antigo North American Championships, Feb. 3-4.

Sno*Jet's unleashed a new line of quick, easy-to-handle snowmobiles for '73...and we've got 'em. Hey big Blue!

Big Blue is a new kind of snowmobile. A machine that seems to come alive. Built lighter than most, it's quicker than a cat. And the Positrac molded rubber track makes it climb like a mountain goat. Stop in and test ride one of the new Big Blue machines for '73 from Sno*Jet. Hey big Blue!

SUN 12-5

Major Tournament Winners were Patti Cress, 16, Michelle Cannon 33, Tony Starcevic, of the State Bank of Antioch, Jim Anderson 114, Harold Pote 109, and Chuck Thibedeau 64.

Afternoon Junior Tournament Winners were (l to r) Dianne Hills +3; LuAnn Cupudo +1; Lisa Richards 8; Don Weber 52, Ray Kirby 45, and Jeff Drazewski 36.

Morning Juniors Tournament Winners were (l to r) Wendy Paderta 41, Marianne Bliss, 70; Cindy Brown 78; Tim Troyer 159; Kurt Jones 77; Russ Anderson 64.

Bantam Tournament Winners were Sue Schreiber 42, Laurie Zuber 49, Kathy Bolwin 53, Dan Svoboda 109, Daren O'Brien 66, and Bret Palmer.

JUNIOR BOWLING TOURNAMENT

Every Saturday 200 eager bowlers between the ages of 7 and 18 emerge on the Antioch Bowling Lanes. These kids belong to a junior bowling program that was founded by the Youth Bowling Association (YBA). This program has been sponsored by the lanes for as long as Norm Thibedeau can remember. He has been with the lanes for eight years now.

The program is broken down into three groups. The majors, juniors and the bantams. The majors bowl in the morning and are from age 15 and up. There are 40 majors in the program and they have several sponsors. To date their record goes as follows:

Wins	Losses	
30	15	Antioch Savings & Loan
28	17	Kings Drugs
25	20	H.O.D.
23	22	Antioch Reporter
22	23	The Hobby Barn
20 1/2	24 1/2	1st National Bank
18	27	State Bank
13 1/2	31 1/2	Hahn's Jeweler

The high average bowler for the majors has been Larry Neau with 171. The high scores so far have been: Jim Anderson, 599; Harold Pote, 589; Glen Schumacher, 230; Larry Dasco, 228.

The juniors consist of kids ages 13-15 and there are 60 juniors who bowl in the morning and 30 who bowl in the

afternoon. Juniors with high averages are Sherrie Pote with 154 and Paul Lucas with 159. High scorers are Ken Bloom 241-586, and Mike Horneck, 230-545. The morning Juniors are sponsored by the 1st National Bank.

The afternoon Juniors are sponsored by a variety of sponsors and they rank as follows:

Wins	Losses	
30	12	State Bank
27	15	1st National Bank
24	18	Antioch Bowl
19	23	Antioch Police Dept.
17	25	Antioch Bowl
14	28	Antioch Bowl

Jim Perlstrom holds the high average in this group with an average of 150 points.

There are 70 bantams, which are little kids ages 7-12. They bowl two games in the afternoon and are sponsored by the State Bank of Antioch. Sue Fisher has the leading average of 113.

The kids bowl each Saturday for a fee of \$1.50 for Juniors and Majors, who play three games, and \$1.25 for Bantams. The fee covers shoes, trophies for league winners, high scorers, etc., at the end of the season, also a banquet at which awards are given. The sponsors supply bowling shirts to each of the teams. The program began in the third week of September and will continue on into April. There are also various

tournaments that the kids can participate in during the season. In December the Senior boys participated in the Y.B.A. team tournament and the Antioch Savings and Loan team placed third in the semi-finals.

There will be a family two-some tournament on January 21 at 10:30, which will allow the kids to compete with an adult. There will be many different combinations that will be allowed to participate in the Tournament, which is state-wide.

Last Saturday, December 30th, the State Bank of Antioch held their annual bowling tournament and the trophies were presented this Saturday.

The Sequoit cheerleaders and mascot cheered their team on to victory last Friday night. The team has drawn large crowds of supporters for their home games as well as their away games. (Staff Photo)

The Antioch News SPORTS

GOOD DEFENSE BUT LAGGING OFFENSE

The Sequoits were on again-off again as they won one and lost one this weekend. On Friday night they beat Grayslake, a conference team, 69-47. At some spots in the game the Sequoits were out in front by as much as 33 points.

Coach Andrews said, "The kids played a real beautiful first half, all of the kids got to play for at least 8 minutes or so. I was really pleased with the way the kids played. Their defensive remained steady throughout the game, but in the second half the team seemed to slow down a bit offensively."

Andrews also felt that the teams ability to execute on a fast break and the sharp defense was very gratifying.

Saturday's game was a bit different. The Sequoits had the top score throughout the game, that is until the last few minutes. In fact at half time the Sequoits held a 12 point lead with the score 37-25. However, in the second half things really slowed down.

Andrews said, "The kids did a good job defensively, but we just couldn't buy a basket. We made only 3 out of 16 shots in the third quarter, which put us in the whole so to speak and we lost some of our momentum offensively."

In the last few minutes of the game the Sequoits were tied with 53 points when Vic McGuire hit a rebound and made it 55-53. Zion almost immediately scored and tied the game again 55-55. The Sequoits then missed a 10' shot and Zion made the rebound and went in for a successful lay-up. Zion had then moved ahead for the first time that night and led Antioch 57-55. Antioch then called a time out to set up a play and after that it was all down hill. When

the clock re-started they were called on illegally stepping over the line, and to make things worse they fouled in the last 13 seconds of the game. Luckily, Zion missed the free throw, but made the rebound, which gave them a 4 point lead and ended the game.

On Friday the Sequoits will play Wauconda at home and then travel to Lake Zurich on Saturday. These are both important games as they are both conference games. Antioch is currently rated in second place with a record of 4-1 to first place round Lake whose record is 5-0.

WRESTLERS "STILL ON CHRISTMAS VACATION"

The wrestling Sequoits had a tough weekend as they tied against Harvard 24-24 on Friday night and lost to Irving Crown on Saturday night.

Coach DeRousse was disappointed with the showing. He said, "We just didn't look good at all, you would think that we were still on Christmas vacation."

DeRousse cited Roberts injury as one of the things that hurt them. Roberts is one of the teams best wrestlers and was injured during the Harvard game. He had two stitches taken in the eye and was not able to wrestle against Irving Crown the next night. Antioch was

defeated by Irving 29-14.

Even though the team was not victorious two of the Sequoits did a fine job of wrestling. They were Steve Shaffer, who won both of his matches and Tom Rayniak, who won his match against one of Harvard's Heavyweights, who is 6' 7" weighs 350 pounds. Rayniak is 6' 2" and 240 pounds and was able to beat his opponent 5-0.

The Sequoits will resume their conference action this Saturday when they meet with Grayslake. Grayslake is tied in first place along with Antioch at the present time with a record of 4-0.

Antioch's overall record registers 8 wins, 1 lose, and 1 tie.

LAKE COUNTY LAKERS ON TOP

There are two new teams atop the standings in the Continental Basketball Association this week - Grand Rapids and Lake County - but that situation can change as quickly as the weather.

Lake County has two weeks to enjoy the feeling however. The Lakers, who have won two games in a row and four of their last six, are idle until Jan. 13.

Lake County climbed into first place in the West Division last week by handing Rockford its sixth loss in seven games 138-126. Joe Franklin paced the Lakers with 40 points - the former Wisconsin star has tallied 118 points in his last three outings - while Wayne Grabiec got 32 and Len Chappell

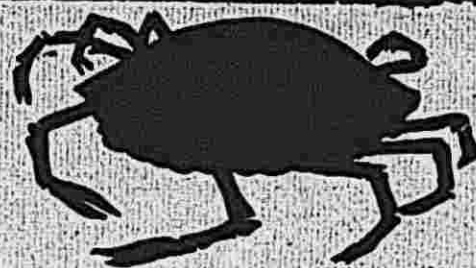

added 25.

Lake County owner Pete Collins credits the acquisition of Grabiec in an early season trade with Decatur (for Ron Dunlap) for much of his club's recent success. A 6-6 guard, Grabiec was the No. 3 draft choice of the Boston Celtics after graduating from the University of Michigan last year.

Since joining Lake County, Grabiec has averaged 18.4 points per game, a few notches above his season average of 16.7. "More important, he helped us to cut down on our turnovers in the backcourt," said Collins.

Last week Wednesday's results were Lake County 138 - Rockford 126.

wrestling

SOPHS VICTORY STRING BROKEN

On Saturday afternoon, the Antioch High School Sophomore wrestlers had their dream of a 19-0 dual meet record shattered by a determined team of Harvard High School Hornets. The final score was Harvard 29, Antioch 21. The Sequoits stayed within striking distance the entire match, but just never were able to over-come the early Harvard lead.

In the other half of the double-dual meet, the Sequoits soundly defeated Irving Crown High School by a score of 39-15. The split for the day left the Antioch wrestlers with a season record of 9 wins and 1 loss. Several Sophomore wrestlers had very strong individual performances. David Severson, in his first varsity match, showed good future potential as he wrestled in the 105 lbs class filling in for injured John Roberts. Dennis Thain had two come-from-behind victories over strong opponents. Also David Kisner, Bill Hogan, and Jim January picked up double wins for the day.

On Saturday, January 13, 1973 the Sequoits travel to Grayslake for a 1:00 p.m. show-down with

the N.W.S.C. arch rival Grayslake Rams. The Rams are currently in second place just one win behind the Sophomore Sequoits.

STANDINGS

98, Parpan lost 6-1; 105, Thain won 7-5; 112, Shaffer, pin 1:26; 119, Kisner pin 4:25; 126, Hogan pin 4:37; 132, Olsen lost 4-3; 138, January won 6-1; 145, Jones won 2-1; 155, Bednar lost by pin 4:45; 167, Morgan pin 1:20; 185, Eastman lost 6-5; HWT Coari pin 1:31.

Final Team Score Antioch 39 - Irving Crown 15.

98, Parpan lost 7-1; 105, Thain won 4-3; Shaffer lost 4-3; 119, Kisner pin 4:27; 126, Hogan win 12-0; 132, Olsen won 4-3; 138

January won 4-2; 145, Jones draw 10-10; 155, Bednar lost by pin 3:11; 167, Morgan won 6-5; 185, Eastman lost by pin 2:18; HWT Meyer lost by pin 2:17.

Final Team Score Harvard - 29 Antioch - 21.

ELECTRONIC COURSES OFFERED AT CLC

The College of Lake County is offering five courses in Electronic Technology and two courses in the Electrical Technology area during the 1973 spring semester starting Monday, January 15.

Electronic courses are Electrical Circuits II, Electronic II, Electronic Circuits II, Electronic Systems and Devices II, and Electronic Instrumentation. The electrical offerings are Industrial Electrical Systems and Electrical Overcurrent Protection.

The courses are part of the Associate Degree program at the College, but are open to those not interested in obtaining a degree.

The courses with the suffix II are continuous of first semester offerings, but may be taken by anyone with proper prerequisites. For example, those versed in DC circuits may enroll in Electrical Circuits II which covers AC circuit theory.

Individuals interested in the Electrical or Electronic Technology curriculum may call the College at 223-8193, extension 30 or 61.

UPLAND GAME SEASON EXTENDED THROUGH JANUARY

The upland game hunting season, due to end Jan. 15 in Illinois, has been extended through Jan. 31, according to James M. Lockart, supervisor of the Division of Wildlife Resources in the Department of Conservation.

"Studies by the Illinois Natural History Survey and Southern Illinois University, and observations of our own field biologists point out that hunter participation has been the lowest in years during this season," Lockart said. "The low participation was due to adverse weather conditions and large amounts of standing crops in the field. This has accounted for an unproductive hunting season for most sportsmen."

Season dates which have been extend for an additional 16 days are for pheasant, quail, rabbit and Hungarian partridge game species.

Lockart pointed out that recent ice storms in the state have not diminished the upland game population.

"From my own personal observations, as well as those from the Illinois Natural History Survey and our biologists, game taken following the ice storms is still good and healthy, and carrying large amounts of body fat," he said.

"Between now and spring we will be losing large amounts of game cover due to the corn harvest and weather," Lockart concluded. "As we lose this cover we will lose wildlife. Therefore, with this extension of the season we will be harvesting game that would perish anyway in all probability."

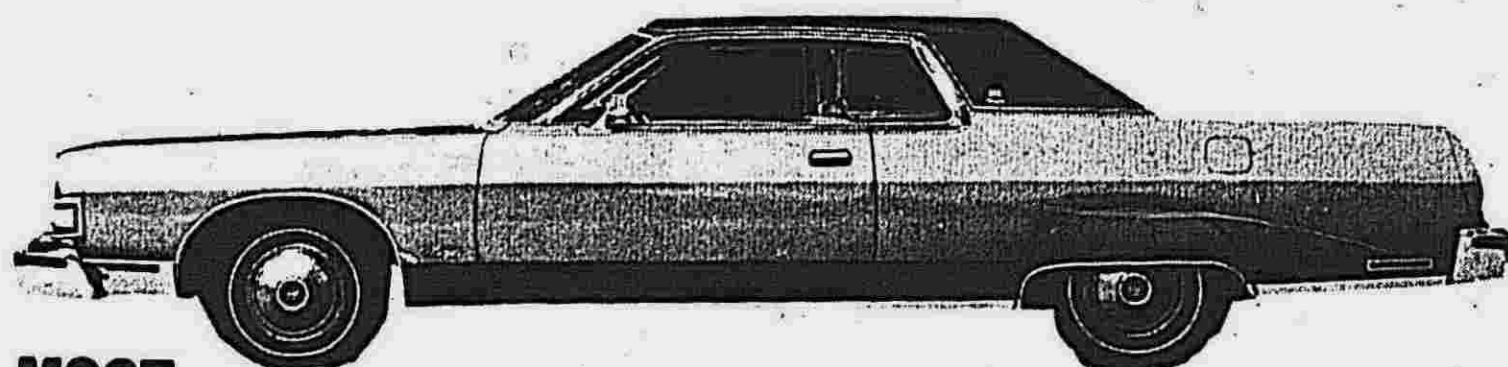

UIUC IS FIRST TO AWARD NEW DEGREE IN PSYCHOLOGY

A new degree program in psychology, stressing treatment and prevention of mental disorders, is offered by the University of Illinois at Urbana-Champaign.

Illinois is the first in the nation to award the doctor of psychology degree in addition to the traditional research-oriented doctor of philosophy degree in psychology.

Two DPsy degrees have already been awarded and 33 students are enrolled in the program which is funded largely by a five-year, \$400,000 grant from the National Institute of Mental Health.
